Grand Falls Letter.

NOVEMBER 28th, 1913.

For the past week, although the approach of winter is quite evident, the weather has been fairly good. Every day was fair and bracing though not sunny, while occasionally a few flakes of snow fell. Thursday night was the coldest for sometime, and Friday, though keen, was a most beautiful day. On the whole the weather so far has been quite a lot better than for the corresponding period last year.

The friends of Mr. J. A. Hiscock were pleased to see him here again, when he stayed off on a business visit for a few days. Mr. Fred. Brazil also arrived here Monday and left again on Friday morning.

Mrs. Spurrell, of Pool's Island, spent a week visiting her daughter, Mrs. F. Newhook.

Mr. Hanham, representative of the A. A. Telegraph Company at Pleasantia, is in town combining business with pleasure.

Monday morning Mr. F. C. Knight, of Monroe and Knight, accompanied by his wife arrived here and proceeded to Botwood, to assess the damage caused by the fire there recently.

Rev. W. P. Finn, P.P., of Whitbourne, paid a short visit to his cousin "our" Fr. Finn, and returned by Friday night's train.

Messrs. H. Cole, H. J. Crowe and Dr. Lidstone were here for a few days from Badger, during the past week. Dr. Lidstone, who is filling the post of Medical Officer at Badger, has quite recently come from the tropics, where he spent the past ten years.

Mr. J. M. Atkinson arrived by Monday's train from St. John's, and brought a stock of Gent's furnishings with him. He is opening a branch business at the station here and expects to do a good trade.

Mr. T. S. Pooke, Purchasing Agent of the A. N. D. Co. Ltd., who went to St. John's with his daughter Miss Irene Pooke, returned Monday morning.

The past few days Mr. Baker and his bride have been here to see the town and mills. Mr. Baker, who is an official of the D. I. & S. Co., at Port au Port, has been only a short time married and is on his honeymoon trip. He was agreeably surprised at the modern little town that he found Grand Falls to be.

Thursday, the 27th, the S. S. Parnthenia arrived from England with the following passengers:—Mr. W. Brail, and daughter, and Messrs. Rose and Hopson.

Monday, the 24th, a dance was held in the Town Hall in aid of the Boy Scouts' fund. It was very well attended and proved a most enjoyable affair. The proceeds were fully up to expectations, and are a very welcome addition to their treasury.

Wednesday and Thursday a bazaar was held in the Town Hall by the Ladies' Guild of the Church of England. Teas were served all the afternoon and evening, and various games and contests served to pass the time pleasantly. The array of work and goods for sale was very good, and quickly found a large number of purchasers. A contest was held, by votes, for the most popular young lady in the Hall, and was won by Miss Chafe.

The annual billiard tournament held by the Grand Falls Club, for a cup presented by the Royal Stores Ltd., is now being played. This is the third year since its inception, and has always held a lot of interest for the competitors, amongst whom are some players of no mean ability.

MILWAUKEE, Nov. 29.

Twenty-four hunters were killed in Wisconsin and Northern Michigan and many wounded during the deer season which opened on November 10th.

NEW YORK, Nov. 30.

The National Railway of Mexico pay the interest due on Monday on its twenty million dollars, two years six per cent. notes, according to the announcement made at the Company's offices to-day. Owing to financial losses, resulting from the strike in Mexico the ability of the Company to meet its obligations had been in doubt.

MEXICO CITY, Nov. 30.

Hoping to placate the rebels Dr. Urrutia, former Minister of the Interior, has been suggested to Huerta. It is said, for the formation of an almost entirely new Cabinet, granting to the Constitutionalists certain concessions. Under the plan Federal Bannet would be left at the head of the Department of War, while Urrutia would be reinstated as Minister of the Interior. Urrutia, it is said, believes the plan will not meet with the approval of the States. Prior to Urrutia's elimination from the Cabinet last September, it was common gossip that should Huerta resign he would leave Urrutia the Presidency.
