FIGURES DO LIE.
Prices are only Relative

REGAL ENGINES are the highest priced engines, yet they are the cheapest.

They are the highest priced engines because they cost more to build.

They are the cheapest engines, because they will last twice as long as any other engine.

They are also the cheapest engines because they save your time, and "Time is money."

If you shut your eyes to this real bargain in engines, you will be the sorriest fisherman who ever signed an order.

You will lose more money than you can afford to lose, and your oil bills will be twice as large.

REGAL ENGINES use less oil, have more power, run with less trouble and give more genuine satisfaction than any other engine on the market.

We are, in the near future, going to ask all cash for REGAL ENGINES, so buy one before we make this change, as we intend to make them the "Hall Mark" engines of Newfoundland.

We ship REGAL ENGINES complete with full book of instructions, and when once installed in your boat, any child can run one.

REGAL ENGINES are higher priced than other engines, but are the cheapest in the long run, because they run the longest.

of fire insurance to-day and you'll sleep sounder to-night. The man who is insured isn't half as nervous about fire as the man who isn't. Why should he be?

FIRE INSURANCE PROTECTS him from all loss. He knows if his house or store burns down where he is going to get money to replace it without borrowing. Are you in that comfortable position? Why not put yourself in it by taking out a policy right now?

In the Supreme Court!

In the matter of the Petition of Joseph Bartlett, of Bell Island, Miner, alleging that he is insolvent and praying to be so declared.

Upon reading the petition, schedule and affidavit filed herein on the 18th day of June instant, and hearing Kent, K.C., for the petitioner, I do order that the said Joseph Bartlett and his creditors appear before me in Chambers in the Court House at St. John's on Wednesday, the 30th day of June, now present, at 11 o'clock in the forenoon, to be examined and heard touching the alleged insolvency, and that in the meantime Simon Butler, Acting Registrar of the Supreme Court, be trustee of the estate and effects of the said Joseph Bartlett and that in the meantime all further actions or proceedings against the said Joseph Bartlett be stayed.

Dated at St. John's, this 17th day of June, A.D. 1915.
(Sgd.) W. H. HORWOOD, C.J.
On motion of Kent, K.C.,

The Eastern Trust Company.

A few reasons why an estate can be better administered by the Eastern Trust Company than by a personal executor or administrator:

1. The Company affords the estate absolute security; it has a paid-up capital of \$931,000.00, and a reserve fund of \$229,300.00.
2. It has a long experience in the work of administering estates; it is incorporated for this business of acting as a trustee, and, unlike many other trust companies, it does no other.
3. Its existence is perpetual. Your estate, in the event of the death of a personal executor or administrator, must look around for a substitute, and the work of administration is impeded during that time, and the new executor is unfamiliar with the policy of his predecessor, and confusion results. This company's existence is perpetual, and there is a continuity of policy in its administration that the death of its officers does not break.
4. It possesses the confidence of governments, universities and prominent charities and administers their funds.
5. A number of other advantages which will appear in due course.
