Belgium's Security Guaranteed.

Bulgaria Will Get Peace Treaty Monday---Prohibition Passes U. S. Senate---New Pacific Cable---British and American Soldiers Will Maintain Order in Fiume.

BELGIUM'S SECURITY GUARANTEED.
LONDON, Sept. 5.
The Evening Standard says it learns on the highest authority that Belgium's security in the future is to be guaranteed against German aggression by Great Britain and the United States.

BULGARIAN TREATY COMPLETE.
PARIS, Sept. 5.
The peace treaty with Bulgaria was completed by the Allied delegates this afternoon. It will be presented to the Bulgarians on Monday.

PROHIBITION BILL PASSES SENATE.

WASHINGTON, Sept. 5.
The prohibition enforcement bill was passed by the senate to-day with a record vote and virtually in the form it came from the committee the measure now goes to Congress for discussion of amendments inserted in the house bill by the senate.

DEMANDS HANDLING OF PROFITEERS.

OTTAWA, Ont., Sept. 5.
Demands for firm handling of the profiteer were again features to-day of the house debates on the address. Mr. Demerits of St. John's Iboville, thought the problem of the cost of living was of more importance to Canadians than ratification of the peace treaty by the Dominion Parliament. It was high time for the government to take speedy action to avoid further strikes and possible revolution. As to ratification of the treaty that according to Demerits would result only in Canada binding herself to financial and military participation in any war caused by the dereliction of one of the signatories.

SECOND PACIFIC CABLE.

LONDON, Sept. 5.
George G. Ward, vice-president of the Commercial Cable Company who has been in London for the purpose of arranging for the manufacture and laying of a second cable from San

Francisco across the Pacific, informed the Associated Press to-day that negotiations had reached a point where a second cable was virtually assured to connect San Francisco by way of Midway Island to the mainland of Japan.

WON'T PURCHASE CHEESE SUPPLIES.

OTTAWA, Ont., Sept. 5.
The department of Agriculture has received a cable from the British ministry of food which follows: "Food controller has definitely decided not to purchase balance of this season's exportable surplus of Canadian cheese after twenty thousand tons have been secured." It would appear from this cable that private imports after the 20,000 tons have been secured though not requisitioned or commandeered on arrival as at present will be subject to the importers maximum wholesale selling price of 28 cents per pound.

MUST RETURN SHIP.

BRUSSELS, Sept. 5.
The Belgian Government has sent a note to Holland threatening to place an embargo on Dutch shipping unless Holland returns a German ship which left Belgium after the armistice was signed. The vessel was discovered later in the Rhine and returned to the German owners by the Dutch.

KING GEORGE WILL UNVEIL STATUE.

MONTREAL, QUE., Sept. 5.
By touching a button at Balmoral Castle which is electrically connected by cable with Montreal, King George to-morrow afternoon will unveil the statue of the late Sir George Etienne Carter on Fletcher's Field.

DOUBLE CELEBRATION.

NEW YORK, Sept. 5.
The fifth anniversary of the first battle of the Marne and the 162nd of the birth of Lafayette will be celebrated here to-morrow with appropriate ceremonies at which Ambassador Jusserand of France will be the guest

of honor. At the morning exercises speakers will include Mr. M. T. Herrick of Ohio who was American ambassador to France when Marshall Joffre hurled back the German Armies and saved Paris.

WILL MAINTAIN ORDER.

PARIS, Sept. 5.
It is understood that the commission of Allied Generals sent to Fiume to investigate disturbances there in which French soldiers were killed has made recommendations to Peace Conference which include maintenance of public order in Fiume by British and American police force.

C. L. B. Topics.

Thursday night Avalon Battalion paraded at 8 p.m. under the command of Lieut-Col. Goodridge and acting Adjutant, Captain Avalon Goodridge, with Company Officers, Lieut. Rev. Fletcher F. Miles, A. T. Lewis, Reeves (ambulance corps); Capt. H. Outerbridge (recruits), Paymaster Ash, Quartermaster Williams and Bandmaster Morris, the Battalion Chaplain, Rev. Jacob Brinton, the latter arriving with a visitor, the Rev. Mr. Law, both of whom arrived two late for the opening ceremonies, unfortunately.

The Companies A and F and recruits were put through battalion drill under their officers. The educational officer, Lieut. Emerson was on leave. His department had an increase of 8 scholars last night, showing the lads have a keen desire for more education, as the older the boys grow the more they feel the need of more education. The ambulance class which is in charge of Lieut. Reeves did not meet and the class is being newly organized now. Camp is over and winter work will soon have to be arranged for.

The Lieut-Colonel Commanding had an application from Rev. H. Kirby during the week at Lavaline to organize a C.L.B. Company there, and as there is every prospect of a large detachment being arranged for the Colonel telegraphed his consent to organize at once, and the Quartermaster is sending the necessary information re forms, etc. We notice in the monthly C.L.B. magazine issued in London for June, there is quite a lengthy article on Newfoundland Brigade news written by Q. and in the July issue there appears the photographs of the late Lieut. Norman Outerbridge, Lieut. W. Ryall, Corporal Herbert H. Outerbridge (of the 7th London Brigade) and Corporal Eric Moore, former members of the C.L.B. and of the Royal Newfoundland Regiment. July copy also has a reference to the resignation of former Lieut-Col. R. G. Rendell, C.B.E., with a full copy of the resolution passed by the officers of Avalon Battalion when the late Colonel resigned.

Thursday night the armoury had

the pleasure of a visit from Sergt. Norman White, a member of the C.L.B. some fifteen years, but now one of the members of a Canadian regiment; Sergt. White enlisting in Vancouver, B.C. Sergt. White was pleased to see old faces and the Brigade still maintaining its high standard of efficiency and expressed himself freely on the benefit of the C.L.B. training he got in his early days which secured him rapid promotion in the Canadian forces. Next week Capt. Raley, M.C., who has accepted duty will report and become Adjutant of the Battalion in St. John's. Next Thursday night the prizes won by the lads on sports' day at camp will be distributed by Lieut-Col. Goodridge and all lads who have won prizes must report at 8 p.m. sharp, including the lads of G. Company Bishop Field College. Thursday night the following promotions:—Col. Sergt. Downington to be acting Co. Sergt. Major. The following privates to be acting Lance Corporals:—B. Ross, T. Hall, D. Ellis, J. Piercey, G. Cook, W. Dicks and H. Bishop; and to be corporals:—Lance Corporals E. Best and F. Stone. Next week Lieut. Phil Rendell will be Orderly Officer, with Bugler Legge. The Brigade is settling down now for a good Fall and Winter's work.—Q.
