Perfection Tire Shares. Every owner of Perfection Tire shares that cost \$1.00 or higher per share should take advantage of the present opportunity to reduce the cost of these shares by purchasing additional shares at present prices. We can offer a plan to all holders who paid \$1.00 for shares, whereby they can reduce the cost to 60 or 70 cents, or lower, without risk, and if desirable without spending further money. Don't throw this aside without getting all information about it, and don't listen to a few local wisecracks who "know all about Perfection." They don't.
