FULL CADET BAND IN ATTENDANCE.
jly20,11

Newfoundland Motor Association.

(Affiliated With The Royal Automobile Club.)

OBJECTS.

To obtain better roads and better conditions for the motoring public.
ACCOMPLISHMENT TO DATE.
It was through agitation on the part of the N.M. Association that the Road Commission resulted, up-to-date road machinery was imported and the road nearly up to Highway is put in such excellent condition. Work is being carried out this season on nearly all the principal roads outside the City.

SUBSCRIPTION.

The support of every Motorist to the Association is solicited. The subscription fee is Ten Dollars per annum, except for Motor Cyclists, who are admitted for Five Dollars. THE AUTHORIZED COLLECTOR FOR THE ASSOCIATION IS NOW ON HIS WAY TO SEE MEMBERS. WILL MEMBERS KINDLY SETTLE WITH HIM FOR THE 1921 SUBSCRIPTION. Motorists who are not already members of the Association and who may wish to join will kindly send their names to the Secretary-Treasurer.

GENERAL MEETING.
The next General Meeting of the Association will be held at Wood's Upper Restaurant on Saturday, July 20th, at 1 o'clock. Lunch will be served at the individual expense of those members attending.

BY-LAWS.

It is instructed by the Executive of the Association that the By-Laws of the Association be published, having for their object the indicating of sane and considerate driving:

1. Members of the Association must use the following hand signals:—
If stopping, slowing down, or turning right, the road, right hand held out horizontally. If the drive is left hand, left hand held out.
2. Any Motorist Member of the Association desiring to overtake or pass a car must blow his horn two blasts, and the driver of the car ahead shall signal that he has heard the horn by answering two blasts. If the car ahead cannot keep ahead of the overtaking car, the driver should allow the overtaking car to pass and the overtaking car must immediately get far enough ahead to prevent the occupant of the car passed from getting the dust.
3. A Member of the Association must help any other Member whose car is on the road and in trouble, when signalled to do so.
5. Cars meeting must keep as close to the left side of the road as possible and slow down.
6. A signal of three blasts will mean that the person blowing is under the impression that the other party has offended against some rule.
7. The horn must be blown at every blind corner and the car must be under close control. A car is under close control when it can be stopped within 10 feet. At sharp curves the horn must be blown.
8. When two cars meet on a hill going in opposite directions, the car going up the hill has the right of way.
9. These By-Laws apply to motor cycles as well as to motor cars.
10. Members should report breaches of the rules and inconsiderate or reckless driving to the Committee on Discipline.

H. E. COWAN, President. P. E. OUTERBRIDGE, Sec.-Treas. jly15,20
