

## Meth. Orphanage Ladies' Aid Formed

A Methodist Orphanage Aid Society was formed at a public meeting held in the basement of Gower Street Church yesterday afternoon. About a hundred ladies responded to the call of Miss MacKay, and Mrs. Harold Ayre and the new Society was launched amid the most auspicious surroundings.

The meeting was organized by Mrs. H. Ayre, and Mrs. Harrington, who were asked to preside. After a brief and effective address, she called on Miss MacKay, who told the story of the Orphanage since its inception in 1888 to the present time. The first Orphanage Committee was appointed in 1888, and consisted of the Rev. Dr. Bond, then President of the Conference, Rev. G. Boyd, and George Vatter, Hon. C. R. Ayre, President; Hon. J. H. Rogers, Secretary; and Messrs. J. J. Woods, and George Gear. All these have passed within the veil with the exception of Dr. Bond, who is still doing valued and honored service for his Master and humanity.

The first building used as an Orphanage was a house in Angel Place of Alexander Street, and was opened in July 1888, with two orphan inmates, and Miss Barter, now Mrs. J. J. Woods, a member of the Cochrane Street congregation, as Matron. Later a house on Mundy Pond Road was rented, and thereafter removal was made to Water Street, opposite Victoria Park. During the years 1888 to 1902, the number of orphans varied from 22 to 40.

In 1889 the Rev. George Bond reported on behalf of the executors of the Hon. C. R. Ayre, the bequest to the Methodist Conference of \$14,000 for the founding of a Methodist Orphanage, together with two houses in the vicinity of the Waterford Bridge Road. In 1901 the corner stone of the present building was laid by the late Mrs. C. R. Ayre and the following year it was occupied. The number of orphans at present in attendance is 43, ranging from 6 to 16 years of age.

During recent months many improvements have been made in equipment, though much remained to be done. The children were healthy and happy, and there was an increasing interest manifest.

At the close of her address, Miss MacKay read a letter from Mr. W. A. Baker, Manager of the Eastern Trust Company, which was listened to with much interest and gratitude. It was in effect, that Mrs. Gertrude L. Ayre, of Circular Road, had placed in the hands of the sum of \$6,800 as Trust for the Committee of the Newfoundland Methodist Orphanage, and that according to instructions the interest thereon was to be paid, for the first five years, to her to be expended on behalf of the Orphanage.

The meeting manifested a spirit of enthusiasm and sympathy which augurs well for the coming year, and an energetic committee elected as the nucleus and permanency of the Auxiliary now formed. Backed by loyal supporters, all deeply interested in the welfare of the orphans, the Auxiliary has now been launched under the most favorable auspices, and the future will be looked to with confidence. The elections resulted thus: President—Mrs. L. C. Mews.

1st Vice-Pres.—Mrs. Harrington. 2nd Vice-Pres.—Mrs. J. S. Ayre. 3rd Vice-Pres.—Mrs. W. (Dr.) Roberts. Secretary—Miss Isa Taylor. Treasurer—Miss E. Potts.

Committee—The Lady Superintendent, Mrs. Leonard, Mrs. Dove, Miss MacKay and Mrs. Goble (ex-officio); Mrs. Bages and Mrs. Walter Butt, Gower Street; Mrs. Alice Campbell, Gower Street; Mrs. Hutchinson, (George St.); Mrs. Croble and Mrs. (Dr.) Cowley, (Cochrane Street); Mrs. Leslie and Mrs. W. Whelan, (West St.).

The President, Mrs. Mews, told of her visit made by her during her recent absence from the city to a New Orphan Asylum in New York, which she gathered much valuable information; and several ladies present contributed to the interest of the informative character of the meeting by brief remarks.

A letter was read from Lady Allard suggesting the formation of a Guide Company. It was pointed out that already arrangements have been made for the formation of a company, and that Miss Annie Hunter, and Miss Ruby Roberts were instructing them. In the absence of Miss Roberts, her place has been kindly supplied by Miss Marjorie Thompson. The Orphanage is inseparably connected with the generosity and active operation of the Ayre family. This great benefaction adds another deep point in the history of the Orphanage, which is repaid by the splendid and selfless service that the Methodist Orphanage Aid will render to the children in their home, on the West Hillside, and in their lives wherever it may be God's will that they reside, and in whatever sphere usefulness they may be called to occupy in the years that lie ahead.

It was pointed out that the Orphanage Aid was a general co-operation in establishing the Institution. For example, a contribution of twenty cents from every Methodist family would provide sufficient funds to relieve all anxiety for the future.

### "The Chinese Puzzle"

CASINO APRIL 21st, 22nd, 23rd.

The theatrical event of the Easter Season will be the big play "The Chinese Puzzle," which has been in rehearsal for some time. We have been accustomed to see our talented amateurs in farce and musical comedy for the past few years, so that this ambitious attempt will be a new departure, but we feel sure that those to whom the difficult roles are entrusted will do full justice to them, and that "The Chinese Puzzle" will be a worthy successor to "Able's Irish Rose," which proved such a phenomenal success. It (The Chinese Puzzle) took London by storm when it was produced there, with its gripping and thrilling situations, so that we in St. John's will look forward to its production with the keenest interest.

### B. I. S. Lecture

Mrs. R. J. Power will lecture in the B.I.S. Club Rooms to the members and their friends on Monday night. Taking as his subject "Recollections" the lecturer will deal with old St. John's, relating many of his personal experiences in that quaint and humorous fashion for which he is so noted. All who attend are assured of an absorbing address on an interesting topic.

### Wedding Bells

JOHNSTON-SQUIRES.

A very pretty but quiet wedding took place on March 25th at the Trinity Church, Boston, Mass., when Miss Mabel Johnston, daughter of Mr. and Mrs. Edward Johnston of Hunt's Lane, was united in Holy matrimony to Mr. James Squires, also of Newfoundland, the officiating clergyman being Rev. Charles Gibbs. The bride was given away by her brother, Mr. Charles Johnston, formerly of the Daily Star office, while the groom was attended by Mr. Henry Rowsell. The bride looked very charming in her white embroidered Georgian dress with veil and orange blossoms, carrying a bouquet of white roses and maidenhair fern. The bride was attended by Miss Florence Moore, who also looked charming in a blue satin crepe dress with gray picture hat, carrying a bouquet of sweet peas and fern. After the ceremony a reception was held at their future home, Pearl Street, Chelsea, Mass., where friends of both parties were in attendance and a most enjoyable time was spent by all.—COR.

### Monday's Attraction at the Nickel

VIOLA DANA IN "THEY LIKE 'EM ROUGH."

For the opening attraction at the Nickel next week the Nickel Theatre will offer the irresistible screen star Viola Dana in her latest film, "They Like 'Em Rough." Katherine Trowbridge is the despair of her aunt, Mrs. Curtis. When she finally decides to accept Westherville, she is infinitely relieved to have her off her hands, but does not dare show she is pleased as Katherine's perversity would immediately break it off. Katherine finds out on her wedding day that it is the result of her aunt's manoeuvres, so she runs away. She asks the first man she meets to marry her. The second accepts, and she finds afterwards that he is Dick Wells, a rejected suitor, who has grown a beard and looks wild. She is furious, but is forced to go with him and live in the lumber camp. Here he disciplines her, making her cook and keep house for the first time in her life. She hates him, but when he is wounded in a brawl her sympathies are aroused and she falls in love with him. Then the beard comes off and she discovers he is handsome.

### Our Dumb Animals.

REPORT OF CHIEF AGENT FOR WEEK ENDING APRIL 11, 1924.

Received report of a dog lying on a doorstep on Water Street. Found the animal to be old and blind, took it and kept it for two days. I also advertised and could find no owner. I humanely put it to death. I also humanely put to death 3 unlicensed dogs. I sent in four horses for treatment. Some ordered in last week are better and at work again. I have had the gateways and arches in the different covers attended to. I received a report that Portugal Cove Road was in a very poor condition and in need of attention on account of extra heavy traffic. I called the authorities attention to this and no doubt they will act. I attended to the landing of about sixty head of cattle, sixteen horses and five boxes of pigs, from S.S. Spess. The horses were imported by Mr. Geo. Summers; they were all in good condition. The cattle were also, in my opinion, as good as have been here for some time. They were well looked after, carefully landed and taken away. I must say the agents here are very anxious that everything possible should be done for the comfort of the cattle. I believe must be done to keep boys and small children off the premises while cattle are being landed. I would like the agents, if possible, to have someone on the gates to allow those who are on business on the wharf while cattle are being landed. I also received a report from a constable at Manuels stating that some boys there had cut the tail off a cow. I am placing this matter in the hands of the police constable at Manuels. I have done my best to attend to all calls. I warned some teamsters to hard driving with heavy horses on Water Street. All draught horses should be allowed to walk. If teamsters do not take this warning, a test case will be made in court, which I do not want to do. I have delivered to Messrs. M. Peckham & Son the humane killer, imported this week, and this up-to-date firm are very pleased with it, owing to its humane and efficient work, and being a great time saver as well. All butchers that are using it say the animals are better bled and the meat is much better. I have received an order to-day for another humane killer, from the progressive firm of Foster and Shields, Butchers, King's Beach. Phone all complaints to 653.
