

**PHONETIC.**—The New York Tribune comments favorably on a new system of teaching children pronunciation, introduced by a Dr. Leigh, and which it is stated has been successfully used for some time in schools in New York, Boston and St. Louis. It is carried out by means of a printed alphabet, which is said to convey accurately to the mind of the reader the elementary sounds which appear in the pronunciation. It is also claimed that this "pronouncing print" differs so little from that ordinarily in use that scholars pass from the one to the other without hesitation.

**BREAKFAST—EPP'S COCOA**—GRATEFUL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labeled "James Epps & Co., Homoeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

We notice that the agricultural papers all over the country recommend the use of *Sheridan's Cavalry Condition Powders*.—*Exchange.*

Farmers and others in this section have long known and appreciated the advantage of those powders over all others. We all consider in the embodiment of strength and power, but how few are aware that it is this same element, in the system, that gives us strength and vigor, and that an insufficiency of it causes weakness and debility. The Peruvian Syrup, a protoxide of iron, is prepared expressly to supply this vitalizing element.

There are probably a hundred or more persons in this and neighboring towns who daily suffer from the distressing effects of kidney troubles, who do not know that *Johnson's Anodyne Liniment*, is almost a certain cure. In severe cases, great relief may be obtained, if not a perfect cure.

Fellows' Compound Syrup of Hypophosphites will speedily and certainly arrest the depressing influence of disease upon the nerves and muscles. It restores the appetite and induces a disposition to take on healthy flesh. It causes the formation of living blood, strengthening the action of both Heart and Lungs. It sustains the system under trying circumstances, and causes the healthy development of all the organs necessary to our existence.

Wife—I wish I could but speak to every mother in America, especially those who live in the country places, or far from a good Physician, I would (like the parson's wife) insist on their buying a little of Perry Davis Pain Killer. If they could not afford to buy, I wish I could present them with a bottle, but few very few indeed but could find a quarter of a dollar to buy if they only knew the benefits and comfort it would afford them.

Husband—For children the Pain-Killer is invaluable. Aches and pains are so annoying with them; if they have the Pain-Killer at hand it acts so quickly. For one who has been invariable, it cured von of Dyspepsia and for me I cannot express my thankfulness since my terrible Rheumatism left me. Wife—I must be sure and tell the Parson's wife what a blessing this Pain-Killer has proved and what a good work she is doing in telling its merits everywhere she goes.

**FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES**  
All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital forces, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

The is substantially the basis on which *Fellows' Hypophosphite* is built, its direct action upon the Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

It is adapted for all cases of Weakness and Enervation, whether arising from a Sedentary life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases. As this entire distinct and different from every other preparation of Hypophosphites, be careful to see for *Fellows' Syrup*, and take no other.

Nine years before the public, and

been prepared equal to Hall's "Vege-  
table Sicilian Hair Renewer," and  
every honest dealer will say it gives  
the best satisfaction. It restores  
GRAY HAIR to its original color  
graduating and preventing dandruff  
curing BALDNESS and promoting

changed to black and silky locks, and  
wayward hair will assume any shape  
the wearer desires. It is the cheap-  
est HAIRDRESSING in the world,  
and its effects last longer, as it ex-  
cites the glands to furnish the nutri-  
tive principle so necessary to the  
life of hair. It gives the hair that  
splendid appearance so much admired  
by all. By its tonic and stimulating  
properties it prevents the hair from  
falling out, and none need be without  
Nature's ornament, a good head of
