

BY-LAW NO. 1

A By-Law to aid and assist the Credit Valley Railway Company, by giving \$10,000 to the Company by way of Bonus, and to issue debentures therefor, and to authorize the levying of a special rate for the payment of the debentures and interest.

Whereas, by the Act passed in the thirty-fifth year of Her Majesty's reign to amend the Act passed in the thirty-fourth year of Her Majesty's reign and intituled "An Act to incorporate the Credit Valley Railway Company," and to extend the powers conferred upon the said Company, it is provided, that in case aid is desired from any portion of a township municipality, if at least fifty of the persons who are rated on the last revised assessment roll, as freeholders, who may be qualified voters under the Municipal Act in any portion of said township municipality, do petition the Council of such municipality to pass a By-Law, in such petition defining the metes and bounds within which the property of the petitioners is situate, and expressing the desire of the said petitioners to aid in the construction of the said Railway by granting a bonus to the said Company, and stating the amount which they so desire to grant and be assessed for, the Council of such municipality shall, within six weeks of the receipt of such petition, introduce the said By-Law, and submit the same to the qualified voters of the said portion of such municipality, for raising the amount so petitioned for, by the issue of debentures of the municipality, payable in twenty years or by equal annual instalments of principal with interest, and for the delivery to the trustees of the debentures for the amount of said bonds at the time and on the terms specified in said petition, and for assessing and levying upon all the rateable property lying within the section defined by said petition an equal annual special rate, sufficient to include a sinking fund, for repaying the debentures with interest thereon.

And whereas, fifty persons and upwards who were rated on the last revised assessment roll as freeholders, and who are ratepayers qualified to vote under the Municipal Act, and being such qualified ratepayers within the portion of the Township affected and hereinafter defined, this is to say: The Gore front and rear, the first and second concessions front and rear, and all that portion of the seventh, eighth, ninth, tenth and eleventh concessions of the Township of Puslinch lying and being south of the line between lots numbers twenty-five and twenty-six.

And whereas, for such purposes it is necessary for the portion of the said Township above defined to raise the sum of ten thousand dollars in the manner hereafter mentioned.

And whereas, it will require the sum of one thousand one hundred dollars, to be raised annually by special rate on the whole rateable property of the said portion of the Township of Puslinch above described, for paying the said debt of ten thousand dollars and interest on the debentures to be issued therefor, as hereinafter mentioned.

And whereas, the amount of the whole rateable property in that portion of the said Township of Puslinch above described, irrespective of any income in the nature of tolls, interest or dividends from the work, or from any stock, share or interest in the work upon which the money or any part thereof, may be invested, and also irrespective of any income to be derived from the temporary investment of the sinking fund hereafter mentioned, or any part thereof, according to the last revised assessment roll of the said Township, is \$383,240.

And whereas, the amount of the existing debt of the said Township of Puslinch is nothing.

And whereas, for paying the interest and creating a yearly sinking fund for paying the said debt of ten thousand dollars as hereinafter mentioned, it will require an equal annual special rate of two mills and eighty-seven hundredths of a mill in the dollar in addition to all other rates to be levied in each year in the said above described portion of the said Township.

2. That for the purpose aforesaid the Reeve or other head of said Township of Puslinch shall cause any number of debentures of the said Township of Puslinch to be made for such sums of money as may be required for the said purpose, in sums of not less than one hundred dollars each and not exceeding in the whole the amount of ten thousand dollars, which said debentures shall be sealed with the seal of the said Township of Puslinch and signed by the Reeve or other head of the Municipal Council of the said Township, and countersigned by the Treasurer of the Municipality, and shall define the portion of said Township of Puslinch for and on account of which they are issued.

3. That the said debentures shall be made payable in twenty years from the date hereinafter mentioned for this By-Law to take effect, at the Royal Canadian Bank, in Toronto, and shall have attached to them coupons for the payment of interest at the rate and in the manner hereinafter mentioned.

4. That the said debentures shall bear interest at and after the rate of six per cent per annum from the date thereof, which interest shall be payable half yearly on the first days of January and July in each year at the Royal Canadian Bank, in Toronto.

5. That for the purpose of forming a sinking fund for payment of the said debentures and the interest thereon at the rate aforesaid, an equal special rate of two mills and eighty-seven hundredths of a mill in the dollar, in addition to all other rates, be raised, levied and collected in each year upon all the rateable property in the said section or portion of the said Township of Puslinch hereinafter mentioned and described during the said term of twenty years from the coming into effect of this By-Law, unless such debentures shall be sooner paid.

6. Provided always and it is hereby declared that this By-Law is passed subject to the following stipulations and conditions, viz:—

That the said debentures shall be deposited with Trustees in the time and manner provided for by the Charter of the Company and on the terms and conditions therein mentioned.

That this By-Law shall take effect and come into operation on, from and after the First day of July, A.D. 1874.

And be it further enacted that the votes of the electors of the portion of the Municipality above defined, shall be taken on this By-Law as follows, viz:—

at the hour of nine o'clock in the forenoon and ending at five o'clock in the afternoon of the same day as follows: The following persons to Returning Officer to take the votes at such place:—At the Town Hall Aberfoyle, and that James McLean be Returning Officer.

TAKE NOTICE.—That the above is a true copy of the proposed By-Law which will be taken into consideration by the Council of the Township of Puslinch after one month from the first publication in the GUELPH MERCURY AND ADVERTISER, the date of which first publication was on the Twenty-sixth day of March, A.D. 1874. And the votes of the electors of the said described portion of the Township of Puslinch will be taken thereon as follows: On Friday the Seventeenth day of April, A.D. 1874, commencing at nine o'clock in the forenoon and closing at five o'clock in the afternoon of the same day in the place mentioned, set out in, and fixed by the eighth clause of the above true copy of the said proposed By-Law.

To Business Men. The circulation of the Mercury and Advertiser being nearly five times that of any other paper published in the County of Wellington, business men and others would study their own interests by advertising in the Mercury and Advertiser.

FACTS FOR ADVERTISERS. In this, as in everything else, the best papers will command the best prices. It is cheaper to pay 6s. for inserting your advertisement in a journal having a circulation of 5,000, than to pay 2s. for one that has only a circulation of 1,000. Of this you may be sure, that any journal that inserts advertisements too cheap, is, in fact, an almost worthless medium. If it were really a good one, it would have no need to lower its prices; for its sheet would be better filled with the sacrifice. You may lay it down as a rule that every journal knows its value, and that if it adopts low prices it is because it is conscious that it has a low circulation in number or respectability.—Wilson's Handbook for Advertisers.

NOTICE ABOUT ACCOUNTS. All accounts for Printing or Advertising rendered to the 1st of January must be paid by the 1st of April, otherwise costs will be incurred. Subscribers in arrears will have to the 1st of April to pay up. After that they will be charged the credit price.

Special Notices.

A NUMEROUS CASES OF POISONING. Have occurred from the sale to the public of Hypophosphites, containing strychnine, without being properly labeled, purchasers of Dr. Wheeler's Compound Elixir of Phosphates and Collyria are requested not to confound the two preparations, as is frequently done, under the impression that both are of the same medicinal properties. Phosphates are necessary elements of the animal organism, and absolutely essential to the preservation of life. They enter into the composition of every solid and fluid of the human body, and are the natural exciting agents of the functions of nutrition, and determine perfect cell formation and the growth of tissues. For supplying the waste resulting from mental and physical exertion there can be no substitute for Phosphates while the system remains chemically constituted as it is. Attributing the effects of strychnine to the action of hypophosphites has led to false deductions and errors in practice, and greatly misled the public as to their true merits.
