Children Cry for Pitcher's Castoria.
An impudent youngster came very near getting his ears boxed the other night at a wedding party for wishing the bride "many happy returns of the day."

Children Cry for Pitcher's Castoria.
Mrs. Celeste Coon, Syracuse, N. Y., writes: "For years I could not eat many kinds of food without producing a burning, excruciating pain in my stomach. I took Paralee's Pills according to directions under the head of 'Dyspepsia or Indigestion.' One box entirely cured me. I can now eat anything I choose without distressing me in the least." These pills do not cause pain or griping, and should be used when a cathartic is required.

BEAR AFTER A BABY.
Bruin About to Eat the Infant When the Little Brother Shoots Him.

Children Cry for Pitcher's Castoria.
Fosstow, Minn., April 21.—Near Olga, a small town near here, the infant daughter of Mr. and Mrs. H. Gregerson yesterday came near furnishing a meal for a bear. The child was rescued by James, her 8-year-old brother, who, with his father's rifle, killed the animal as it was making off with the little one.
Mr. and Mrs. Gregerson had gone away, and during the afternoon the bear invaded the house. The child was unhurt.

THE GREAT BARITONE!
Will Sing at the Grand Opera House Monday, April 27.

When Watkin Mills sang in London nearly two years ago at the Dundas Street Center Church, he was comparatively unknown to a Canadian audience, but with the first notes of his clarion voice, the people realized that a star was before them. Great singers like Watkin Mills are only born perhaps once in a century. His predecessor in England was Charles Santley, and so loyal were the masses to their old love, that it was many years and only after a hard, uphill fight, and by sheer merit that Watkin Mills finally mounted the top rung of the ladder of fame. His success now is phenomenal and concert managers everywhere, content themselves lucky in being able to secure a date. When it is remembered that his whole time is engaged for the present American tour, Londoners will see that they are fortunate in being afforded the opportunity of hearing the great baritone, especially at such low prices as 75c and \$1.

The subscription list is now open at the Bell Piano warehouses and subscribers will be entitled to choice of seats in the order in which their names appear on the list. The supporting artists will be worthy of Mr. Mills and his great reputation, so that the event may certainly be counted as one of the most important in London musical history. The list closes positively on Wednesday.

conditions
In some conditions the gain from the use of Scott's Emulsion of cod-liver oil is rapid. For this reason we put up a 50c. size, which is enough for an ordinary cough or cold or useful as a trial for babies and children.

In other conditions gain must be slow, sometimes almost imperceptible, health can't be built up in a day. For this Scott's Emulsion must be taken as nourishment, food rather than medicine, food prepared for tired and weak digestions.

Does This Prove Anything?
More people are using
Edwards' Nervine

Dear Sirs,—About three years ago, you may remember I handled some of your medicines at Queenston, Ont. I am not positive, but I think that the "Bark-Well's Sure Corn Cure" that we had was got from your house. Will you kindly reply to this note, telling me if you do handle Bark-Well's, and if so, would it be possible to send by mail? If I am mistaken, can you tell me what firms do handle it? I WANT NO OTHER except Bark-Well's Sure Corn Cure. It is put up in bottles retailed at 25c. Hoping to hear from you soon, and wishing you compliments of the season, believe me, yours truly,
