To no other class of apparatus can the axiom that "the best is the cheapest" be more truly applied than to electrical machinery and appliances. To transformers does this especially apply. It will pay you to buy the best in the market, and we now offer you the very best at such a reduced price that the essentials of quality and efficiency are combined with extremely low prices, which is rendered possible only by the introduction of improved laborsaving machinery, added to a large increase in our output.

to wash clothes without Pearline, her husband or her employer ought to interfere. She is not only wearing outher own health and strength with useless rubbing and scrubbing,

but she is wearing out the clothes with it, too. This rub, rub, rub isn't needed. Put Pearline into the water, and you'll find half the work done by the time you are ready to begin. It's Pearline that loosens the dirt and does the work-not you with your washboard. Just a little rinsing, and it's all over.

Beware of imitations. 339 JAMES PYLE, N. Y.
