"THE REAL WIDOW BROWN." "The Real Widow Brown" possesses all the merits required of a successful farce comedy. Amusing in plot and situation, it is ably interpreted by a company of artistic comedians and Former Postmaster Smith Urges comediennes, who also incidentally provide specialties in the way of sing ing and dancing, which add to the hilarity occasioned by the comedy itself. "The Real Widow Brown" will

be at the Grand next Monday night. "BEYOND PARDON." The Boston Herald, New England's leading newspaper, says of "Beyond Pardon," which is to be presented at the Grand tomorrow matinee and "'Beyond Pardon,' which be-

I FELL BECAUSE I LOVED AND TRUSTED. In "Beyond Pardon" at Saturday.

is without qualification the very best strongest cast that the patrons of this tinct, the two American lands of kindred popular theater have seen this season. It would be difficult indeed, to devise a play that so closely mingles tearful in mutual interest, have an intelligent heart sentiments with the most ex-

hilarating laughter." DAINTY PAREE TONIGHT. This company is said to be one of the best of its class. It carries over British imperialism has its burdens. If ville acts, and four comedians. The company carries its own special scenery, and dress the two burlesques "A Night in the Hotel Waldrough" and contribute to fleets and armaments. She runs abroad. ful costumes and effects. Those who appreciate high class singing and audeville should not miss this attraction. Troy and Albany papers speak London.

Lassar describes several cases from his wn experience in which butchers or persons who had much to do with diseased cattle acquired superficial lesions, which seemed to be undoubted cases of inoculation of bovine tuberculosis.

Home-Made WELL SCARED Food &

Better Reciprocal

Relations.

Fitchburg, Mass., Nov. 6.-Charles

master-General, at a banquet of the Mer-

chants' Association last night, said, re-

ferring to Mr. Chamberlain's fiscal policy

in England: "Mr. Chamberlain's plan

proposes to put a ring fence around

Great Britain, and then to give a tariff

preference to her colonies. We cannot be

unmindful that this policy may have

serious concern for us, but if we keep our

rightful trade weapons in our hands we

need not fear the issue. Canada is our

third best customer. Mr. Chamberlain

would detach her from this continent and

bind her more closely in imperial bonds.

But have we not stronger cards to play

than England? Will Canada be content

to sacrifice her own interests for the

interests of English manufacturers? Will

independent action for the sake of an

empty imperial connection?

ciprocal agreement.

she consent to renounce her own right of

"For five years Canada has given a

preferential rate to England. Yet in spite

of it our exports to Canada have grown

faster during that time than England's

blood and law may well have close com-

mercial relations. Why should they not,

ate the broad American spirit."

the publisher.

Literary Notes.

"Our Own and Other Worlds" is the

title of a popular work on astronomy

from the pen of Rev. Joseph Hamilton

THE BOSS.

has just been published.

for an inside acquaintance with the in-

ner life of boss rule in New York. Mr.

Lewis furnishes some amusing sketches

of reformers, as well as of followers of

the boss. There has already been con-

siderable speculation as to the origin-

als of some of his characters, but it

ied the actual life of individuals, al-

though it is claimed that all the inci-

dents in his story have happened at

Canada Leads.

[Hamilton Spectator.]

Canadians are one of the most tem-

perate peoples of the world, according

power exclusively, and their single track

of about three miles for each company.

Clipper Ship's Successor. The famous American clipper service faster during that time than England's exports. We do not seek the annexation of Canada. If the two countries which stretch along side by side for 3,000 miles shall ever come together, it will be with free and full consent by the natural law troduce a clipper service of sailing vesfree and full consent by the natural law sels from 700 to 1,200 tons burden for pasdrama, and is presented by the of gravitation; but while politically dis-senger traffic alone?" inquires a Boston traveler, who has crossed the yearly for twenty-five years in our meteor-like ocean greyhounds.
There is undoubtedly a class of people

who prefer crossing the ocean leisurely to

the prevailing rapid transit, but as yet and statesmanlike system of broad rethat class is not sufficiently numerous to make such service pay. "There is an inevitable consideration. When the seven-masted schooner T. W. Lawson was launched at Quincy it was 25 people, including 26 lady artists, who canada is to divorce herself in both a costing from \$75,000 to \$125,000, in a Boston political and commercial sense from her to Liverpool line might pay. own continent and bind herself with Eng-land she must now the cast. She must land she must pay the cost. She must would be for a clipper ship with regular contribute to fleets and armaments. She runs abroad. The investigation discour-The Wrong Mr. Corbett" with beauti- must accept the chances of European aged further entertainment of the idea. conflicts. She must be prepared to face afford a leisurely trip and who seek an attacks on her invading outposts. Why ocean voyage for health, not for busishould Canada not understand that so ness, doubles or trebles its present numlong as she keeps out of European wars clipper excursion steamers which will clipper excursion steamers which will tomorrow, matinee and night, at the the United States will not permit any make ocean trips for the voyages' sake. European wars to be extended to this Such vessels will be fitted continent. We have drawn a circle manner and have a cervice and table as around the Americans, and made the good as the most modern liner. With Monroe doctrine its dominant law. Here-in lies the true safeguard of Canada in bunkers, they can be built to carry 100 in lies the true safeguard of Canada in consulting and protecting her own indeextra first-class passengers and each one at least twice the space afforded pendent interests, and it will be wise and well for her to understand and appreciby a first-class vessel. The old clipper boat crossed the ocean in twenty days while the modern strenuous steamers make the trip in five or six days. When the relaxation in American life comes, the clipper service will come back with it. The freight schooner has lately sprung up to do business along with the tramp steamer. Perhaps the OUR OWN AND OTHER WORLDS. ship may come, also, to be owned and

run by the steamship companies .- [Bos ton Advertiser.

D. D., of Mimico. Dr. Hamilton is the Telephone Girl's Training. author of a previous work on this subject entitled "The Stary Hosts," with But switchboard does not make an exwhich he won a prize offered by the Science and Art Education Council of change. Central without the telephone girl would be more void than Hamlet London, England. William Briggs is without Ophelia. Yet she belongs to a more or less definite type. No nervous girl need apply at a telephone exchange. Mr. Alfred Henry Lewis' striking The strain and stress of the eight hours' novel of American political life, "The intense, concentrated attention to the demands of the switchboard call for cool-Lewis has had especial opportunities ness and poise.

The girl who has the telephone bee buzzing within her bonnet seeks the general manager, and is first put through searching test for general fitness-sight and hearing, wide-awakeness. ment. If satisfactory she is turned over for training to the operating inspector. For the first week she does nothing but attach her headphone to an experienced operator's position and listen. It takes that time to learn to distinguish the dozen and one confusing sounds that crowd into her receiver. The next two one time or another in New York. A. weeks she puts her observation in practice, with an experienced operator al-ways at her elbow. By the end of the third week the tracks have been beaten out in her brain cells by incessant use, and connections are made automatically The lot of the full-fledged to statistics just published, and the girl is by no means an unenviable one but custom eases the strain. telephone companies are in the forefront of the modern movement for improved French consume about 18 quarts of working conditions.
