o'clock on Tuesday, August 24, for painting required at the laundry of Victoria A. O. GRAYDON, Hospital. ALD, D. STEWART. City Engineer. Chairman Hospital Committee. 51u

CORRESPONDENCE

Methodism and the Higher Criticism. To the Editor of The Advertiser:

It is most refreshing to see that there is one minister, and he a Methodist too, who is not afraid to speak a word for the so-called higher criticism. If the Bible cannot stand the interpretation that would be given to any piece of good literature by intelligent men, then it is scarcely a fit guide the province investigating the source for human beings who interpret all of supply of milk and the search for but it will stand that interpretation, and has been so construed by the mission reached Hamilton yesterday, ordinary well educated thinking lay- and will shortly continue their inman for some years now. During the quiries, visiting Chicago, returning by sessions of the Methodist conference way of Fort William and other points held in this city in June I was sur- in that section. The commission spent prised to see that there was not one, that I noticed, who took the "Jack- Goler, health officer there, and looked that there are among all the intelligent men who form the ministry of fant mortality is lessened 50 per cent. the Methodist Church, many like your correspondent, believe the scientific explanation of the beginning tained at luncheon by the president of the world as opposed to the mythological explanation of it. It is a always been opposed to new scientific truths. It is time that she should be in the forefront in the search for the bondage of the ancient beliefs of our ancient forefathers.

Let the church wake up. The great masses of men are anxiously awaiting for the interpretation of the Bible along scientific lines, and not to have to listen to the creeds and dogmas of men who have succeeded in forcing much need, then do not blame us if inborn desires. Very truly yours, LAYMAN.

THAW STILL KICKING.

Matteawan, N. Y., Aug. 21. — Mrs. chairman; Mr. J. R. Dargavel, M. P. P. Mary Copely Thaw, mother of Harry Mr. F. G. Macdiarmid, M. P. P., Mr K. Thaw, today made public a statement criticising the treatment accord- Bert T. Roadhouse, secretary. ed to her son in the Matteawan State Hospital for the Criminal Insane since his return to that institution this year by order of Justice Mills.

Mrs. Thaw said that the comforts accorded to her son when he was first sent to the asylum were restored after his recent return, but he had been denied privileges which he had enjoyed for eighteen months while in the asy-lum. Dr. Lamb, the superintendent of ly good. In some lines storekeepers the hospital, Mrs. Thaw said, when are endeavoring to clear out summer asked the reason for the discontinu-ance of privileges to Thaw, answered pot appreciated.

COULD BE MADE PAY

Greatest Confidence in the Dominion.

Montreal, Aug. 21. - "Of all the railways I have studied on this trip I have found none better than the In- ingmen. tercolonial. Let the Intercolonial be run by the Government along the workman from the plant by the Schoensame lines as a private corporation would operate it and it would pay," said Hon, G. P. Graham, minister railways and canals, who arrived in Canada by the Empress of Britain Thursday night, and passed through Montreal on his private car early yesterday morning. He was just returnnanagement.

"Railwaymen in England are inclined to think that we have given our railway commission here entirely too much authority over rates," remarked Mr. Graham. "It astonishes them. Of course, I explained that conditions here were very different from those in England, but still they could not understand how anybody should be given such wide and absolute powers. I claim, as I said in the House last winter, that the Intercolonial is being run under a greater handicap than any railway I know. In that the details of its purchases, the prices and the names of the dealers are given and published broadcast, giving those dealers chances to form combines and force up the

prices "Then the tender system is not always the best. I find that in Germany no such details are given. The operation of the railways is discussed in TWO-STORY BRICK HOUSE, 8671/2 Parliament, but there is no such de- part: Waterloo street. Apply next door north. mand for petty details of administration. The rallway is managed by a railwayman who enjoys the trust of investigate its source. the minister who is over the railway for sample room or manufacturing purposes; steam heated. Apply T. H. Carof a private corporation. He is explaint house of the car plant. The alleged incendiary attempt to burn the every state in Germany there are investigation by the officers. Tonight

"So the Intercolonial should be run. No private corporation would make its whole business public because it would give the competition a big advantage. The Intercolonial has to compete with such corporations and do so successfully she should be run on similar business lines. Mr. Graham also made a study of

complete network of Germany, being owned partly by individual states and
