The Pennant Race in the Two Big Circuits.

[Special to The Advertiser.] Cleveland, Sept. 27 .- Breaking into the American League at the fagend of his first season in professional baseball, Fred (Fritz) Blanding, former University of Michigan pitching star, made a name for himself by shutting out Washington, fanning eight batters and doing what no other

considered by many the world's greatest pitcher. Blanding was the best college pitcher Michigan ever had, and the best in the colleges during his time. He left Michigan last season, despite the appeals of Coach Yost, who wanted the husky youth for his "Hurry Up" eleven, Blanding being a football star as well as a diamond hero.

Blanding was discovered by Scout Bob Gilks, in San Antonio, this year, EVEN UP WITH THE REDS MORGAN IN FINE FORM Although his record was anything but brilliant, due chiefly to the fact that the youngster was far from well, he looked good enough to Gilks at the Although his record was anything but brilliant, due chiefly to the fact that draft price, and was picked up accordingly. TO GET CURED.—Nine physicians out of ten use unscientific methods and reof ten use unscientific methods and resort to guesswork in treating their patients, which results in the many there are who are not only disappointed, but lose their money. Have you made a great mistake in not getting skilled treatment; in not having a reliable specialist to treat you, only by which you will ever be cured?

Our methods are scientific, therefore they produce quick, everlasting cures. We employ only scientific methods and for this reason we make more cures than other physicians and specialists. We can afford to cure for less than others, and that is why we say to the sick, diseased and discouraged, come to our office, as others who falled to get cured elsewhere have done, and get the quickest, surest, cheapest cure obtain-

able, from one of the most skilled specialists in Detroit, Miscroscopical and Analytical Urinalysis Free.
