GALT, Feb. 19.—The chances of I Western University juniors in the Northern League were dispelled this evening, when they met the local "kids" in the first of their home-and-home games in the semi-finals, and were defeated by the lobsided score of 15 to 4. The locals proved much better than was expected, and after the first as minutes of play there was no doubt as to the result. The half-time score was 7 to 4. While the ice was sticky, the game was fast from start to finish, and the visitors never gave up, showing the same scrapping spirit as they did against Berlin. The game was half an hour late in starting, owing to an unfortunate accident to Reuter, the brilliant London net guardian, in practice just as Referee Kinder had rang his bell for the face-off. In the second period the locals checked their opponents off their feet, and added eight tallies, while the visitors could not beat Doison, who did some brilliant stopping. While the 'Varsity septette showed great speed and nice combination at times, they found the local defence a stone wall, and Dolson, in goal, a clever guard. Every man on the local team played a good game, although the defence probably starred. The locals had the advantage on their opponents in shooting, London being very poor-in this department.

Representatives of the Two Clubs Could Not Agree on Dates Though.

Western University has accepted the challenge of the local Feds, but as yet no dates have been arranged for the games. Representatives from both clubs held a meeting last night, but could not agree on the dates. It is likely some satisfactory arrangement will be agreed upon today.

The Feds were represented at the

Phillips meeting by Messrs. Greer, Moore, Gil-Brodison lies and Hawkins, while Gus Edwards and Amby McEvoy were the university representatives. The conditions imposed by the Feds in their challenge were perfectly agreeable, to the collegians, but when it came to arranging dates the hitch occurred. The neeting was in session until a late hour last night, but up until midnight no satisfactory arrangement that both parties would agree to could be reach-

> reached today. Owing to the consolation series, which the Feds are playing, dates would have to be arranged which would not conflict with these matches. It is likely that the first game will be played in University Aren, some night next
