Herr Genthe is a well-known writer of hunting and multary stories.

Be Permitted

and a second the second

C ROM .

From Our Own Carrespondent.

Atom Our Own Carrenondent. Ottawa, March 19.—The cabinet to-day had under consideration the ques-tion of salmon regulations, and it was decided to permit the use of tran nets under special license. The licenses are to be issued to boun fide canneries and not to persons for speculative purposes. In onder to guard against the pos-sibility of the depiction of the fisheries, How. Mr. Preformation is asking for a special appropriation of \$60,000 for six or more new hatcheries.

KAISER'S ADMIRATION.

Wisit to Rock of Gibraltar Greatly Im-

presses the German Emperor.

Dresses the German Emperor. Gibraltar, March 19.—Emperor Wil-ham on visiting the Bock of Gibraltar reday said: "It quite reached my ex-pectations. It is grand like everything English. I am not surprised that Gib-raltar is impregnable." London, March 19.—A despatch from Gibraltar to a news agency here says that while Emperor William was visit-ing the docks and other works here to-day his train was derailed. The dam-se was trifling. The Emperor after-wards lunched with Rear Admiral Ac-land.
