KER DEAD. -Frederick of state, and it citizens in his morning. Why a Torpid Liver

The Real Cause of Indigestion, Biliousness and Constipation Due to Inactivity of the Liver-Dr. Chase's Kidney-Liver Pills a Great Liver Regulator.

"Oh, it's his liver is bad," you say when you find a person cross and disagreeable without apparent cause.

This is a common saying which is founded on scientific facts.

The liver, when in health, filters bile from the blood-where it is poison-and pours it into the intestines-where it is necessary to digestion and a proper working of the bowels.

Once the liver becomes torpid and sluggish in action the "bile poison" is left in the blood, where it causes biliousness, jaundice and headache.

The flow of bile to the intestines being cut off, the food is delayed in the canal, and fermentation instead of digestion takes place.

The result is sour stomach, flatulency, feelings of weight and oppression, smothering sensations in the chest, dizziness, loss of appetite, drowsiness after meals, despondency and bad temper.

Symptoms Coated Tongue.

Headache and Indigestion Sour Stomach.

Muddy Complexion. Wind in the Stomach.

Feelings of Weight and Oppression.

Smothering Sensations in the Chest.

By setting the liver right Dr. Chase's Kid-ney-Liver Pills positively overcome these symptoms and bring about a thorough and lasting cure.

It is a common mistake to dose the stomach and overlook the liver-the real cause of such troubles.

Dr. Chase's Kidney-Liver Pills are made to act directly on the liver because the liver really controls the digestive organs as well as influences the kidneys and bowels.

By the use of this great family medicine you cleanse and purify the organs of digestion By the use of this great family medicine you cleanse and purify the organs of digestion and excretion, and ensure a natural, healthful working of these organs. Make a test of Dr. Chase's Kidney-Liver Pills, and you will find a cure for indigestion, in connection with the matter.

biliousness and constipation and remove the

As the representation sought for at the exposition is something which will be symbolic of the Dominion as a whole, in regard to its characteristics and resources, some diffidence seems to be felt locally at the idea of encroach-ing upon an undertaking which peculi-arily belongs to the federal govern-ment. As already reported, Mr. William R. Mackenzie, vice-president of the Can-adian Society of Portland, visited the city for the purpose of enlisting the

As already reported, and, withight the fames to the building. The loss is stimated at \$20,000. The local governments in the great exhibition to be held in Portland during the coming summer and fall. Mr. Macken-zie saw representatives of the local government yesterday in regard to this subject, and after discussion, it was agreed that if a Canadian exhibit was undertaken by the Ottawa government, as seemed fitting and proper in the na-ture of things, the local government would be only too glad to co-operate in making it the great success that if such a proposi-tion should materialize it was not im-probable that the cities of Victoria and Vance session. The document includes the new agreement as well as the obligations of that government, today was made public by order of the Sen-terday, and it was suggested that he would represent to the fair manage-ment the destrability of bringing this proposition to the serious attention of the Dominion government. In conversation with a Colonist reproter. Mr. Mackenzie intimated that ho very serious effort had yet been reacte to enlist the Interest of the Dominican government. The work series of the constance or West Indian Republics have attracted so much attem-tion because of the controversy that has arisen as to the right of the executive to enter into treaty arrangements with any foreign government without the advice and consent of the Senate.
