"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bled most of the time. After trying various prescriptions, without benefit, my plysician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."
