NEW MILK! Double Extra Cream, Creamery Butter and Buttermilk.

Semi-Centennial Dairy Co., 62 YONGE-STREET.

Answer the above questions and then look at a hole somewhere and guess how many rats passed through in twenty-four hours. You might as well do that as to guess how much money passed through your cash drawer. Don't you pay out money and forget to mark it down? Don't you have customers say you didn't give them the right change? Now wouldn't it pay you to have a system in your business? Perhaps you have heard of our Cash Register. Purchasers say to use it "beats estimates," and they pay for themselves by avoiding mistakes and carelessness, and the clerks prefer it as they are relieved of suspicion, besides settling disputes that frequently arise as to the amount paid for articles. Purchasers write us like this: "Your Register has proved useful and systematic for my business." "Your Register is indispensable, and believe it will be but a short time when all classes of trade will have them in use." "Your Register obviates many perplexing things." "Your Register is rather costly, but it will repay any one to use them. Mine has worked four years, now, without getting out of repair, and is just as good as new; its durability is wonderful." We could quote these testimonials indefinitely, as every Register we sell agreeably surprises the purchaser.

You who have been Holding off for Months, Be Convinced, and Provide Yourself with a Check on the Handling of your Cash and Credit Business.

OUR CREDIT BOOK with the patent trade is better and more convenient than any other duplicate check system. 3 PER CENT OF Credit Sales are Never Charged. OUR REGISTER STOPS THIS LOSS. J. A. BANFIELD & CO., 61 KING-STREET EAST, TORONTO.
