European Intelligence

From Wilmer & Smith's European Times

LIVERPOOL, April 8. The alarming condition of Ireland, depicted in our last number, approaches daily and be delayed. The defiant language held by Mr. Mitchell and his party in their organ, the United Irishman, bids fair to produce its people, who are interested in the preservation of order, will probably have their occupations, their property, and even their lives pations, their property, and even their lives existing institutions, wh, a lew days since, thrown into jeopardy by the ruthless machi-sneered at the braggadoctos and bravadoes of care not for the consequences so long as they becility and insanity, are now apprehensive can raise a political fortune over the ruins of of a long and deadly conflict between the autheir Country. Now respecting the fate of thorities and the populace of Ireland. It is these violent men, and of the retribution admitted by all, that no one time in the entire their Country Now respecting the their country these violent men, and of the retribution which will inevitably crush their disloyal distory of repeal did the agitation reach anywhen we reflect upon the accumulated mise-the fact that all dependence hitherto undevitation pass-word. One club in Dublin has a tingly placed in moral force for a redress of the winds, and they must entail upon their Country. Now respecting the fact that no one time in the entire place from Birmingham, two consigning alone amounting to thirty thousand. These alone amounting to thirty thousand. peace and tranquility, be restored to the Irish people, we cannot but feel that a heavy responsibility weighs upon the Executive in all the movement with an interest of the country in their career of treason. Lord John Russing in their career of treason. Lord John Russing in their career of treason. Lord John Russing in the House of Commons on Monday last, in the
