A Happy Fisherman and his Jolly Children. A Sea Bath on Religious Days.

A Board Primary School.

A village pial school; an interesting study of the old Hindu method of edination; the busis of books of palm leaf and an iron pen, "as we may call use files of books of palm leaf and modern paper and penells. These to write with, instead of the modern paper and penells. These to write with of the statement bereauch there, in villages untouched by the modern elvilaration and
