

# TO ENCOURAGE BUYING

And to open business for this fall and winter, some very special prices are quoted in this announcement. Some good lots of stamps have been bought during the past few months, and prices are much lower than usual. We always like to say a few words about Canada Revenues, and while some protest there is no demand for them, we be to differ strongly. The future will prove this point. Meantime any wants, postage or revenues, will have prompt attention. **ANYTHING TO SELL?**
