

THE QUEEN IS ON OUR SIDE.

The Queen is on our side;
 Long live the Queen!
 The Nation's hope and pride;
 God save the Queen!
 With her to lead us on
 We'll battle every one,
 Until the day be won,
 God save the Queen!

The Peers are on our side,
 God shield the Peers!
 And, though some may deride,
 God bless the Peers!
 In their high halls of state
 Let them still vindicate
 That truth which makes them great.
 God shields the Peers!

The Church is on our side;
 God bless the Church!
 Now in the fire she's tried;
 God cleanse the Church!
 Honour'd and purified,
 In the pure Lamb's blood dyed,
 Her loving Saviour's bride.
 God save the Church!

Millions are on our side;
 God save them all!
 Be Heavenly truth their guide;
 God bless them all!
 Let them the pure faith prize,
 And He Who glorifies
 His truth will, from the skies,
 Prosper them all!

God's Word is on our side;
 God bless His Word
 In Him we now confide,
 And in His Word!
 Wielding the Spirit's blade
 We ne'er shall be dismay'd,
 For God will give us aid.
 And bless His Word.
