"Among good books for devotional or practical religious use we may mention with commendation 'Walks About Zion,' a service of brief interesting and practical addresses on religious topics."—*New York Independent.*

"Mr. Elliot is the master of a crisp and pure style. His reasoning is clearly expressed. He is a most impressive expounder of the Word of God."—*Presbyterian Record.*

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in this community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We confess to be reminded by these brief and terse discourses of our dear old favorite, John Foster."—*Presbyterian (Halifax) Witness.*
