**Scientific and Useful.**

**ICING.**—One-half cup of sugar, one teaspoonful of vinegar, one tablespoonful of water. Flavouring. Boil together, and spread each layer with the icing while it is hot.

**FILLING FOR PUFFS.**—One-half pint of milk, one-half cup of sugar, one egg, one tablespoonful of corn starch. Flavour with lemon or vanilla. When the puffs and fillings are cold cut a slit in the side of the puff and put in the filling.

**COMPELLED TO YIELD.**—Obstinate skin diseases, humours of the blood, eruptions and old sores are cured by Burdock Blood Bitters, which purify and regulate all the secretions.

**CLIFF CAKE.**—One-half cup of sugar, two eggs, two-thirds cup of flour, one teaspoonful of cream-tartar, one-half teaspoonful of soda, three tablespoonfuls of cold water. The cold water is to be added the last thing, the cream-tartar and soda having been sifted with the flour. Bake quick in two layers.

**HOLLISTON COOKIES.**—Two eggs, two-thirds cup of butter, one cup of sugar, one-half teaspoonful of soda, two teaspoonfuls of milk, one teaspoonful of cream-tartar. Dissolve the soda in the milk and sift the cream-tartar in flour sufficient to mix hard. Roll very thin and bake carefully. They will be crisp and brittle.

**BELSHAZZER'S WARNING.**

"Tried in the balance and found wanting," is the general verdict rendered against most of the so-called cures for lung troubles. Such a decision has never been given against Dr. R. V. Pierce's "Golden Medical Discovery." On the contrary, it is conceded by thousands who have tried it, to be the only remedy for consumption (scrofula of the lungs) and scrofulous diseases generally. It will not cure when both lungs are most gone, but if taken when the disease is in the first stages it never fails. It is also specific for such scrofulous affections as fever-sores, white swelling, hip-joint disease, and great eating ulcers, and for blood taints generally, from whatever cause arising. By druggists.

**RHUBARB PUDDING.**—To one quart of buttermilk add one egg, one large teaspoonful of soda and flour enough to make a thick batter. Have ready a half-dozen stalks of rhubarb cut fine; stir it into the batter; tie it up tightly in a bag; drop the bag into a kettle of boiling water and let it boil an hour. Serve with sugar and cream.

**CREAM PUFFS.**—One-half cup of butter, one cup of cold water, one cup of flour and three eggs. Boil the butter and water together and add the flour when it begins to boil. Stir constantly until the mixture has cooked smooth. Cool and then add the eggs well beaten. Butter a dripping pan and drop the mixture on it in twelve spoonfuls. Have a very hot oven, and as soon as the cakes have been placed in it let the fire slacken and bake them about twenty minutes.

**DELMONICO PUDDING.**—One quart sweet milk, four tablespoonfuls of corn starch, mixed with a little cold milk; add this to the milk just before boiling; take four eggs, beat the yolks with six tablespoonfuls sugar, and flavour with lemon or vanilla; add this to the starch and milk, and boil until cooked. Then pour into a pudding dish. Beat the whites to stiff froth, add three tablespoonfuls of white sugar, pour it on the top and bake a light brown. Eat cold with cream and sauce.

**FIVE YEARS OF TORTURE.**—Mrs. U. Aston, of Bracebridge, writes to say that Burdock Blood Bitters cured her of headaches, from which she had suffered for five years, all other means having failed.

**LEMON SHELLS.**—One cup of sugar, one lemon, one egg, one coffee cup of cold water, one tablespoonful of corn starch. Line two small pie plates with a nice crust and while it is baking prepare the filling as follows: to the grated rind and juice of the lemon add the yolk of the egg and the sugar; stir the corn starch into the cold water, and add to the other ingredients. Cook the mixture until it becomes a straw-coloured jelly. Fill the crusts and for one make a frosting of the white of the egg and set in the oven a few minutes. Decorate the other with some narrow strips of the crust laid across which should have been baked on another plate with the crusts.
