THE pupil of one's eye is made to attend to business by the lash that is held over it.

IT SELDOM FAILS.—J. D. Cameron, of Westlake, Ainslie, Cape Breton, had inflammatory rheumatism which Haggard's Yellow Oil cured after all other treatment had failed.

THE curiosity of a child of five had been aroused by seeing a magnifying glass. "How many times does it magnify?" asked a gentleman, thinking to puzzle him. "As many times as you look through it!" was the quick reply.

CONSUMPTION is often only an indirect result of deranged kidneys. "Over two years ago I became a confirmed invalid. My friends all thought I was far gone in Consumption. I was sure the time had well nigh come when I must leave my helpless little children motherless. With this dreadful fact staring me in the face, I resolved to try Warner's safe cure. My husband tried to dissuade me, thinking I was too far gone for anything to help me. But I took it, and in two weeks time I was like a new creature; and in four weeks I was able to resume my household duties—at this writing I am perfectly well." Mrs. E. J. Wolf, wife of the Rev. Prof. T. Wolf, D.D., editor *Lutheran Quarterly*, Gettysburg, Pa. If you write her, enclose a stamp, and she will tell you the story is true.

"WHAT a lovely woman!" was the exclamation of an eminent judge upon passing a beauty, when walking on a fashionable avenue with a friend. "What an excellent judge!" said the lady, when her sensitive ear caught the flattering decree of the justice.

THE FAITH CURE.

If you do not value your health, and your time is not worth anything, pin your faith to the "anointing oil," or the mortar from "Knock Chapel." But if you do value health and have not time to waste in useless experiments, take Dr. R. V. Pierce's "Golden Medical Discovery" on the appearance of the first symptoms of consumption; which are a loss of appetite and flesh, general debility, slight, dry, hacking cough, etc. Every day you defer treating your case in a rational manner, makes the disease harder to combat. Send ten cents in stamps to World's Dispensary Medical Association, Buffalo, N. Y., for Dr. Pierce's Treatise on Consumption.

"YOUNG man," said the professor, "you should not allow yourself to be guided altogether by your own opinions. You should defer to the opinions of others." Student—"But the poet says, 'Tis madness to defer.'" Professor—"True; but the poet was young when he said that."

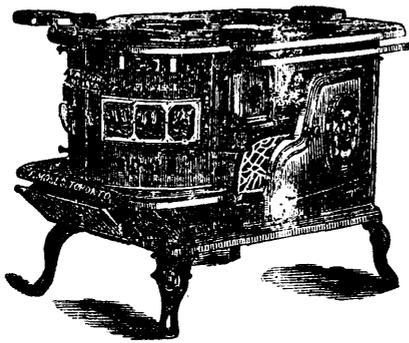

Mrs. Saagtry, Sara Bernhardt, and Adeline Patti Revisit Toronto.

These celebrated artistes will arrive here in the coming season to give us pleasure during the dreary months. Some people, however, prefer a different kind of pleasure and that is to furnish a home of their own, and have music, cards and games to while away the hours. Jolliffe's is the place to furnish these homes, and 467 to 473 Queen Street West contains an enormous variety for you to choose from.

"YES," said Mr. Jones to the minister, "I am proud of that dog. Why, he knows the different days of the week." Just then the dog began to run to a gun that stood in the corner, then back to his master, and wag his tail. "He's made a mistake this time, Pa," said young Bobby. "He thinks it's Sunday."

Mrs. Ruth Brown, Coldwater, Mich., if you write, enclosing a stamp, will tell you it is true that in July, 1885 she "was suddenly Paralyzed, and became entirely Blind, as her doctors claimed, from an Enlargement and Inflammation of the Kidneys and Liver. She was in an unconscious state for two weeks; face and body bloated, with agonizing Pain; could not keep anything on her stomach; irregular action of the heart. Physicians pronounced her case incurable. Within a few weeks the Paralysis left her, Bloat went down, Enlargement of the Liver Subsided, action of the heart became regular, and she became well in three months, and has felt in good condition ever since." Warner's safe cure did this amazing work for her, and she will tell you so.

BUTTERED POTATOES.—Boil with skins on; peel carefully; lay in a heated bake dish; butter plentifully; pepper and salt; cover and set in the oven ten minutes, rolling them over in the melted butter several times. Remove with a split spoon to a hot, deep dish; add half a cup of hot milk to the butter left in the bake dish, stir well and pour boiling hot over the potatoes.

Also a large stock of Self-Feeders, Cooking Stoves and Ranges always on hand. Hardware, House Furnishings, etc. N. B.—Note the address—301 Yonge St., Toronto.

CATARRH, CATARRHAL DEAFNESS AND HAY FEVER.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are cured in from one to three simple applications made at home. Pamphlet explaining this new treatment is sent free on receipt of stamp, by A. H. Dixon & Son, 315 King Street West, Toronto, Canada.—*Christian Standard.*
