

success of the small boys.

The following is the order of games as played on the Varsity Oval :

Oct. 5.	Juniors	18;	Emeralds	0
" 12.	"	12;	Juniorate	4
" 17.	"	3;	IV Seniors	4
" 27.	"	4;	Juniorate	1

The following composed the Junior team in each of the above-named games :

Full, Charbonneau ; halves, W. McGee, W. Bawlt, H. Giguard ; quarter, A. Groulx ; scrimmage, G. Verreault, Thibault, "King" Sloan ; wings, H. Dion, G. Leonard, O. Cloutier, Ov. Lapointe, A. Carrier, J. Freeland, R. Slattery.

This team has now but one ambition—to beat the Senior Fourth team. As both teams have each won a game, a settlement of superiority must be made as soon as possible.

Communications for the Junior Editor must find their way to our headquarters, Dark Room, lower floor, next to the furnaces. Understand, Philips ?

* * *

During the past month the Junior Editor received an unusual number of friendly letters from his fellow students. He regrets that he is unable to pub-

lish all of them. Two of them must see the light ; it would be treason to withhold them. Here they are with all their unnameable beauties of style and orthography.

"DEAR JUNIOR EDITOR" :

"Let me give a recit of the election. Lorier is the chief of the Canada. He has been elected by 57 majority into all the country and into his country with 2500 votes. Lorier is a very man. He make much for his country. There is had into Ontario majority 35 liberals ; opposite 60 conservative. New Brunswick 9 lib. opp. 5 con. Quebec, that a fine place, 57 lib. opp. 7 con.

Sir Tupper he have taken the running away yesterday night. The Conservatives say Lorier his thief, but they say not trae. He would come see me, and I shall say him my thought. The Conservatives have not need speaking. They make a bridge in town from Quebec who is evaluated to \$5000 and they have ask \$50000. Where are going \$45000 ? The Conservatives say, I don't known. But the liberals saw well. I am for Lorier ; Ora for Lorier !"

The second letter is non-political, and we publish it therefore without any of that trepida
