UNSURPASSED SITE

—FOR— First-Class Hotel, College or Academy.

HEAD OF NORTH-WEST ARM

TO BE LET

On a Building Lease for 21 Years, renewable, and with option for purchase during term.

Unsurpassed—Because

- 1. The property is free from the heavy tax system prevailing in Halifax, being just beyond the city boundaries. 2. It fronts on the North-West Arm, is surrounded by roads on the other three sides, and is accessible in easy walking distance from the city, as well as by water and carriage roads. 3. The city water pipes with high pressure traverse the property thus making baths available up to the highest floor of buildings, besides supplying water for fountains, gardens, and for flushing drains. 4. Salt water is close at hand, to be pumped, not or cold, into baths, on any floor of buildings, if desired. 5. The scenery and beautiful drives to 'Herring Cove,' 'The Dingle,' 'Prospect,' and various other favorite resorts, present unusual attractions, and a good Hotel on this spot would be crowded with guests. As more accommodation was needed the buildings could be extended in all directions on the property. 6. In winter, skating, tobogganing, sleighing, and other parties, would centre at a well kept Hotel on the spot. 7. A small steam barge would make available for salt water bathing, numerous secluded and charming spots on the Arm and its vicinity, while business men could reach their offices of an evening and return to their families of an evening through pleasant sea breezes, and free from heat and dust. Schools and places of worship are close at hand. 8. By a long lease tenure, the capital for purchase of land would be available for buildings and at the same time the tenant, when the good will of his business had become valuable could either sell out his interest, or purchase the land at an interest stipulated in the Lease. After 21 years benefit the Lease would be renewable each Seven Years on terms which may be stipulated at the outset. A capable man, with energy and industry, could not lose, but would stand to win a handsome competence by taking hold of this property on terms such as are above suggested. Any such person, meaning business, can learn further particulars on applying at the Office of

DR. WASHINGTON—

Dear Sir, I write you under feelings of intense gratitude for your Spirometer and other instruments and medicines, which have entirely restored me to blooming health. I was given up to die of consumption, and, in fact, had no hope of ever recovering myself. Lost my voice for fifteen months. All the symptoms of consumption present—so much so, indeed, that our family physician and others gave me up to die. The change of treatment came in time to save my life, and it is for the benefit of others who are afflicted as I was that my name is allowed to appear in public print. I can heartily recommend the treatment to all who wish to be saved from the grave. Yours truly, MISS JEANETTE BEVERLY.

CONSUMPTION ARRESTED.

H. G. WILSON, 125 Granville Street. HALIFAX, N. S., June 24th, 1885.

To DR. WASHINGTON, Throat and Lung Surgeon, Parlor 73, International Hotel:

Dear Sir,—Having been troubled with weak lungs and hemorrhage for some time with every indication of speedy consumption, concluded to try your "INHALATION TREATMENT," with the most flattering results. In fact to-day I am attending to my general business without noticing my former weaknesses, or that my lungs were ever effected. Your treatment cannot be too highly recommended. H. G. WILSON.

CONSUMPTION CURED.

Gaspeteaux, P. O. N. S.

Dr. Washington—

Dear Sir,—I was given up to die by several physicians of Halifax at 3 elsewhere. I was falling fast, could not walk up stairs without getting out of breath, had cough, raising large quantities of matter, night sweats, etc. After taking your treatment for a month and a half, I gained 21 lbs., and since then have gained 45, increasing in general weight from 145 to 190 lbs. My recovery has been a very great surprise to physicians and friends, who seem unable to believe that such a wonderful cure has been effected. Accept my many thanks. LOWDEN BENJAMIN.

ANOTHER REMARKABLE TESTIMONY.

CONSUMPTION CURED IN THE LAST STAGE. CAPTAIN WILLIAM SALTER, No 27 Granville Street, Halifax, N. S.

N. WASHINGTON, M. D., Throat and Lung Specialist Toronto.

Dear Sir,—When you visited me in the latter part of January, I had been given up to die of consumption by a consultation of Physicians, who considered that my recovery was simply impossible. I had no hope myself, nor had my family. When you expressed a hope of my recovery, it was received with a good deal of doubt. Confined to my bed, very low, weak, wasted, night sweats very bad, troublesome cough, raising large quantities of matter in fact every appearance of a speedy death. After using your Respirometer and Spirometer, and medicines, I began to recover very fast, so much so that during three hard winter months I have gained from 20 to 25 lbs., and was able to walk out on Easter Sunday. My strength is daily increasing, and I shall be able soon to be at work. To you I owe a deep sense of gratitude, and am anxious for others who are suffering as I was, to consult you. You can make what use of this letter you see fit, and thanking you for what I consider a most wonderful treatment. I remain yours truly, CAPT. W. SALTER.
