

THE FOUNDATION OF HEALTH

Without Health, Life is not Worth the Living

HEALTH is so easy to lose, and so hard to regain, that its preservation should be the first consideration of all. Neglect of the many disorders of the system often leads to the loss of health. Those who lose health lose their usefulness in this world of work.

Abbey's Effervescent Salt

is the retainer—the regainer—the foundation of health. It helps nature to build up the system that neglect has broken down.

Abbey's Effervescent Salt is a well known and much appreciated medicine in England. It is new to Canadians, but is rapidly gaining converts here.

Many prominent physicians in England and Canada testify to its preventive and curative qualities in cases of Sleeplessness, Spleen Affections, Loss of Appetite, Nervous Depression, Biliousness, Indigestion, Sick Headache, Sea Sickness, Constipation, Flatulency, Fever, Rheumatism, La Grippe, Neuralgia, Gout, Skin and Kidney Complaints.

All druggists sell this standard English preparation.

Price 60 cents a large bottle; trial size, 25 cents.
