### THE EVANGELIZER

The EVANGELIZER is issued in a new form, and for a different class.

It has been published for six years as an unsectarian religious periodical, and to the advancement of the Kingdom of God in the world, and has had a large circulation in Canada. The extent of circulation has, however, been considerably reduced within the last three years, partly by our larger publications, the GOOD NEWS and GLAD TIDINGS taking its place, and partly through the imposition of postage.

In order that it may occupy ground which is at present not occupied, the EVANGELIZER will henceforth be exclusively filled with matter adapted to the young, and to those engaged in the instruction of the Sabbath School.

It will contain interesting narratives and lessons for the young.

It will contain a scheme of lessons for each Sabbath in the quarter, and notes on these lessons for the assistance of Teachers and parents.

It will contain illustrative notes on

Scripture, and anecdotes illustrative of divine truth

It will contain articles bearing on the proper conduct of Sabbath schools, and interesting intelligence connected with them.

It will, by law, be transmitted by mail POSTAGE FREE.

Single copies, twenty-five cents per annum; parcels of ten copies, or more, sent from the office to one address for fifteen cents per number, per annum.
