

will be erected or the old one remodelled. The Liverpool, London & Globe Insurance Co. have decided to erect a large office building next year at the corner of Place de Armes and St. James street, to be a stone building, eight storeys high, with banking offices on the street floor and the company's own offices on the floor above, estimated cost, \$250,000. Several local architects, including Hutchison & Wood, Taylor & Gordon, Maxwell & Shattuck, D. R. Brown, Maurice Perrault, and S. A. Findlay, have been invited to submit competitive plans for the new building.—An extension of the Park & Island Electric Railway system around the west end of the island of Montreal is being talked of. It is reported that another insurance company, in addition to the Royal and the Liverpool and London, will erect a large building in this city at an early date.—No decision has as yet been reached by the city council regarding the erection of an abattoir at Point St. Charles by the Montreal Union Abattoir Co. The company may build an abattoir which, with drainage system, railway accommodation, etc., will cost \$125,000.—Tenders are invited by L. O. David, city clerk, up to August 20th, for the demolition of the fish

market and its reconstruction at the corner of Berri and Commissioners streets.—W. E. Doran, architect, is taking tenders up to 19th inst. for a club house at Ottawa for the Columbus Club.—Building permits have been granted as follows: A. Bourgeau, 814 Lagache street, house, 71 St. James street, cost \$8,000; Alphons Manelli, 266 Wolfe street, house, three stories, on Wolfe street, cost \$2,000; F. N. Tremblay, 349 William street, house, three stories, on 195-197 McCord street, cost \$3,000 (T. Benard, contractor); Thos. O'Connell, house, two stories, corner Murray and Ottawa streets, cost \$5,500; Emery Lesperance, 884 St. Denis street, house, corner Bienville and Massue streets, cost \$5,000; A. St. Marie, house, two stories, 377 Montana street, cost \$1,000; Sisters of Hotel Dieu, Pine avenue, house and store, four stories, 53 St. Sulpice street, cost \$12,000; J. Suil Lichten-

heim, alterations to house, two stories, 14 Nazareth street, cost \$1,500; Mrs. A. Duperrault, 746 Park avenue, three houses, three stories, Drummond street, cost \$12,000; E. N. Picaette, house, three stories, Dorchester street, cost \$10,000; A. Bertrand, two dwellings, three stories, Pontiac street, cost \$1,100; Louis Corbeil, house, two stories, Laselle street, cost \$1,500; Geo. B. Burland, house and factory, three stories, White's Lane, cost \$1,173; Louis Oimet, two dwellings, two stories, Hotel de Ville, cost \$3,500; Edmond Lacasse, 1922 St. Andre street, house, two stories, St. Hubert street, cost \$1,200; Wm. E. Muir, 300 Wellington street, alterations to house, Wellington street, cost about \$1,500.

Roofs, Steel Buildings and
Structural Iron Work of all descriptions.

Stackpole

Patent Improved

Street Sweeping Machine

Is the Standard
of Perfection.

Because no sweeper so effectually does the work for which it is designed as "The Studebaker."
It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision.
It Wears Well. "The Studebaker" has the smallest possible number of working parts, and has less gearing than any other sweeper made. It is free from unnecessary complications. With reasonable care it will not get out of order. Send for complete descriptive catalogue.

Studebaker Sprinkler

(PATENT IMPROVED.)

Does not clog or get out of order. Greatest width of spray
Can be graded from driver's seat to any volume.

We also make an

IMPROVED VERTICAL SPRAY

for Pavement
