

## Fine Floors

The use of hardwood floors has become so general they are almost regarded as a necessity. And if properly regarded they are a necessity for any complete house. The cleanliness, solidity and their handsome appearance are universally acknowledged. We send out on request a very complete catalogue of designs with price list from which we allow a liberal discount.

An advertisement for Ganong's Chocolates. The top half features a woman in a light-colored dress sitting and reading a card. To her left, a cherub with wings is peeking over a table. On the table are several boxes and pieces of chocolate. A sign on the left reads "GANONG'S THE FINEST G.B. IN THE LAND CHOCOLATES". At the bottom of the illustration, the text "THE CHOICE OF XMAS GIFTS" is written.
