Commercial Summary.

A PETROLIA firm have shipped a large amount of drilling machinery from Calcutta, India

AN OLD subscriber in Ottawa, in remitting recently, says:—"I consider the JOURNAL OF COMMERCE is well worth what it costs to any business man, and no business man ought to be without it."

A DEPUTATION from Belleville, has waited on the Ontario Government to urge the necessity of giving a grant of 5,000 acres per mile for the extension of the North Hastings Railway in Madoc mineral region.

THE recent advance in Brown Hollands in the Belfast market, amounting to 10 per cent on the lower numbers and about 7½ per cent on the higher, has just been followed by a further advance of equal proportions, in all about one cent per yard.

THE French Government has requested Messrs Perriere Bros, the well-known bankers, and president of the French Trans-Atlantic Line, to examine into the practicability of establishing the projected line from Havre to Montreal. This examination is being made in view of granting a subsidy.

AN informal meeting was held recently in the Corn Exchange this city, when Messrs. Hutchison and Steele, architects, submitted plans for the proposed alterations of the building. The want of a reading room, as well as a board room and office, has long been felt, and decisive action will be taken shortly.
