

NEWS AND NOTES.

It seems to be pretty well understood that children must be sick at times; we would say to all anxious mothers that Nestle's Milk Food is an excellent preventative of cholera infantum, and all such complaints so common to children.

Wise men are instructed by reason; men of less understanding by experience; the most ignorant by necessity and beasts by nature. Cicero.

Women are not naturally funny. Nevertheless they are good creatures—many of them.

IRON.—The Iron in Estey's Iron and Quinine Tonic is in a form and in a chemical condition easily broken up and assimilated by the blood; and being combined with pure Sulphate of Quinine and Sherry Wine, forms an agreeable and pleasant Tonic and Invigorator to the whole system.

Did you ever notice how much more you walk on the foot with the corn on it than on the other? You hardly notice the other one at all.

CONSUMPTIONS.—Who hath sunburns? Who hath bad complexion? Who hath chafing? Who hath soreness of lips? Who hath rough hands? Who hath soreness of chin after shaving? They who use not Philodermal.

A GREAT WANT SUPPLIED.

The consumers of Kerosene Oil, will find it to their advantage to buy LUXOR OIL, as it is without doubt the purest Oil to be had. By actual comparison it will be found as white as water. This is obtained by removing all impurities from the ordinary oil. It is no dearer than ordinary oil. As it will burn one-fourth longer and gives a clear brilliant flame, emitting no smoke or odor. To those using COAL OIL STOVES it is highly recommended, as it will give greater heat and will do more cooking for the same money. For sale in barrels and cases, two cans in a case.

Catarrh—A New Treatment.
Perhaps the most extraordinary success that has been achieved in modern science has been attained by the Dixon treatment for catarrh. Out of 2000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished the catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago, are cures still. No one else has ever attempted to cure catarrh in this manner, and no other treatment has ever cured catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street West, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star.*

A great seer—the tele scope.

COVETOUSNESS IN DISGUISE.—The wonderful success of James Pyle's Pearlina has given rise to a flood of imitations with an "ine" in their names, evidently to have them sound like Pearlina. Enterprises of this sort are quite liable to be more selfish than beneficial.

Gravoyards are full of people who believed they could be cured by dosing the system with poisonous drugs. If you are ailing and have tried medicine without being cured, do not be discouraged, but take advantage of the offer we make you. We will send you, on trial, one of our Electric Medicated Appliances to suit your case, provided you agree to pay for it if it cures you in one month. If it does not cure you, it costs you nothing. Is not this a fair offer? Different Appliances to cure DYSPEPSIA, RHEUMATISM, LIVER AND KIDNEY DISEASES, PILES, LUNG DISEASES, ASTHMA, CATARRH, LAME BACK, AGUE, DEBILITY, and many other Diseases. Remember, we do not ask you to buy them blindly; but merely to try them, at our risk. 125,000 Cures made during 1884, in cases where all other treatments had failed. Prices very low. Illustrated book giving full particulars, and blank for statement of your case, sent free. Address, at once, Electric Pad Mfg. Co., 564 State St., Brooklyn, N.Y.
