

SOME GOOD REASONS

FOR

SPECIFYING FAIRCHILD'S ESSENCE OF PEPSINE.

To give your patient the benefit of the best.

To avoid worthless stuff, which will cost the patient the same price as Fairchild's.

Fairchild's Essence is a success of estimation—it sells because it is good. All the rest are made “to sell”—they sell when they are substituted for Fairchild's. That is what they are made for—to tempt the druggist to violate his legal and professional obligation to honor the physician's prescriptions.

Fairchild's Essence of Pepsine is the only pepsin essence made direct from the fresh calf rennet, and suitable for the delicate stomachs of infants and invalids.
