Mercantile Summary.

WORK has been begun upon a creamery building in Shipton, Que.

MAPLE sugar making is becoming general in the maple woods of the Eastern Townships.

MR. JOHNSTON, of Ontario, has been doing quite a business in the purchase of hop poles in the Dudswell district. About seven thousand have been loaded at Brookbury siding.

MR. WASHBURN, of Kingston, has a mining property at Hannington Lake, near Ottawa, where phosphate and mica mines are rich. In a month or so he will have a hundred men at work, shipping by the Gatineau Valley Railway.

THE civic expenditure of the city of Sherbrooke, Que., outside of fixed charges for 1892, is estimated at \$40,896. This is \$3,451 more than the estimated revenue. It is thought this can be met by changes proposed to be made in the city charter at the next session of the Legislature.

THE sheriff has taken possession of the premises of Bray & McInnes, grocers, at New Westminster. For some time past it appears the senior partner has been neglecting the business, hence the trouble.—We note the assignment of a brickmaker in Vancouver, named D. A. McFarland, who has had his premises covered by chattel mortgage.

A WELL-KNOWN merchant of Montreal, Mr. John Duncan, who has many years been a wholesale grocer and tea dealer, died last week and was buried on Saturday. The large gathering of leading commercial and professional gentlemen which was seen at his funeral on Saturday, attested the general respect for the character of the deceased gentleman.
