

1876.

THE WITNESS PUBLICATIONS.

DURING the present year, notwithstanding the "hard times," the WITNESS publications have increased in the aggregate about 20,000 copies. Such a remarkable increase, 23 per cent., shows that these publications have taken a firm hold of the hearts and minds of the public, who have worked that they might become better known and accomplish greater good. In the face of this experience, we must claim that good and improving literature may be made as attractive as that which is evil and injurious. These publications are as follows:—

THE BUSINESS MAN

and the residents of large cities have the **DAILY WITNESS**, which conveys the latest and most important news at the earliest moment. It has a fourth page devoted exclusively to religious and family reading; and a corner peculiarly adapted to each one in the family, from the youngest to the most aged. The advertisements of this edition is an especial attraction. Price, \$3.00 per annum, post-paid.

THE STUDENTS

have the **TRI-WEEKLY WITNESS**, which contains all the reading matter of the **DAILY** but the local news and advertisements. It is the favorite for all who require the news in the smallest space. Price, \$2.00 per annum, post-paid.

THE COUNTRY HOMES

demand the **WEEKLY WITNESS**. It comes once a week, loaded with all the news of the preceding seven days "in a nutshell," and contains tales, sketches, travels, markets, &c., &c.; and is taken in all parts of the Dominion. Price, \$1.00 per annum, post-paid.

THE CHILDREN

must have the **MESSENGER**—the cheapest paper in the world. It is an eight page semi-monthly, nicely printed and illustrated, and costs only 30 cents a year. Its circulation is 30,000, double what it was a year ago.

THE NEW DOMINION MONTHLY,

price, \$1.50, speaks for itself. Its object is the developing of a native Canadian literature, to accomplish which it has done much.

The book will be issued immediately. Price 50 cts.

THE FENIAN RAID OF 1870.

(THIRD EDITION.)

We have on hand still a few copies of this seventy-four page pamphlet, which gives a history of the Fenian Raid of 1870, and contains illustrations of the principal officers engaged in it, and the most lively scenes of the escapade. It may be interesting for some who took part in it to read the account and thus "fight their battles o'er again;" or it may be of advantage to some to read how gallantly our volunteers responded to the call for their services when needed. Price by mail, 25 cents.
