**The Equitable Life Assurance
SOCIETY**
OF U.S., 120 BROADWAY, N. Y.

H. B. HYDE President.
F. W. ALEXANDER Vice-President.
R. W. GALE, Montreal. . Gen. Man. Dom Can.

In order that an intelligent view may be taken of the unprecedented career and success of the Equitable Society, the public are reminded of several material and significant facts: The Equitable Society was organized in 1859, and after a brilliant career of fifteen years, takes its stand among the foremost companies in the world. The promoters of the Equitable Society adopted, as the principles of its business, the following unassailable features:

- All Premiums Payable in Cash.
- No Notes Taken, or Credits Given.
- All Losses by Death Paid in Cash.
- No Deductions from Losses on Account of Notes Taken, or Credits Given.
- All Profits Divided Among Assured.
- No Gains from Policy-holders Allowed to Stock-holders.
- Equitable Rights of Policy-holders to be regarded, Rather than Technical Points.
- The Greatest Liberality in Dealing, Consistent with Security.
- Promptness in Payment of Losses.
- Strict Economy in Management of Business.

Founded upon such principles the business of the Equitable Society has been cautiously, but energetically conducted, as the following results indicate—results which have never been equaled or approached during any similar period of time, by any life insurance company in the world.

Assets of the Society, Dec. 31, 1874. \$25,961,757 44
Amount of Risks Outstanding Dec. 31, '74 181,000,000 00
Cash Annual Income, Dec. 31, 1874. 9,650,787 00
The gross amt't new Assurances in 1874. 84,189,815 00
Total Surplus over Legal Reserves. \$3,662,587 28
The attention of intending assurers are called to the Tontine Savings Fund plan, now so popular and pronounced by distinguished actuaries and leading business men to possess advantages never before offered to the public.
