

Announcement

We are pleased to announce that we have secured the absolute agencies for the following well-known Player-Pianos:

NEW SCALE WILLIAMS

While quite a new Player this celebrated make has already won the highest opinion of the people of Canada.

ANGELUS.

The first Player to be invented in America. The Angelus is known wherever the English language is spoken. There has never appeared a better one.

AUTO-PIANO.

The largest factory of the kind in the World produces this famous Player. Purchased by delighted customers in Great Britain, United States and Canada. It is no matter of surprise that our competitors have so fiercely criticized this Player-Piano. At the price it stands absolutely alone and few Player-Pianos are in any one particular its equal. You are invited to call and hear these pianos played by our salesmen.
