

C. A., addressed the students, bringing to their notice the convention to be held in Rochester, N.Y., from Nov. 19th to 22nd.

The College Y. M. C. A. met Thursday, Nov. 5th, when Messrs. Fawcett, Perry, Gilbert and Fraser were chosen to represent the College. Besides these, the Rev. Professor Plumptre, Dean, and Mr. James have decided to attend this convention.

Thursday evening, Nov. 5th, the students marched in a body to the home of the Rev. Professor Cody, M.A., D.D. There they presented him with an illuminated address, congratulating him on the occasion of his receiving honors from Queen's University, and expressing their appreciation of his services as professor of the College and friend of the students. In a few well-chosen words Dr. Cody expressed his appreciation of this token of the students' regard, and the pleasure which he receives from the work of the College.

The usual business meeting of the Literary Society was held Friday evening at 7. Two motions, of which notices were given last meeting, were considered and adopted. First, that a critic be appointed at every programme meeting of the Society, and, second, that the meeting hour of the Society be changed to 6.30 p.m., in order to give the members a chance to attend the University College Literary Society.

Mr. Trumpour, B.A., received a telegram on Sunday, Nov. 1st, informing him of the death of his father. He left early Monday for his home. Mr. Trumpour has the deep sympathy of his many friends in the College.

The Rev. J. Briscoe, B.A., who has been in charge of Ningó Parish, Manitoba, has come to the College in order to take a post-graduate course.

Mr. Wagner (at the refectory door, half an hour before dinner hour)—"I cannot withstand the appeal of the inner man any longer. Please do let me in."

THIS CUT REPRESENTS THE EXACT SIZE OF THE PEN READY FOR USE

OUR \$1.00 FOUNTAIN PEN IS A MARVEL.

IN durability, finish and appearance it is equal to the more expensive fountain pens in the market. It is made of hard vulcanized rubber. It has no shoulders and thus it is smooth and pleasant for the fingers to hold. The cap, fitting on the barrel instead of below the ink joint, does not in removal tend to loosen or tighten the ink joint, it also acts as a protection against breakages and always fits either end of the holder equally well.

It has a 14 karat gold nib—with a platinum tip and can be had in fine, medium or stub point. One of the most distinctive features of this pen is the feeder.

It is so constructed that it overcomes the trouble of overflowing or dropping ink, especially when the holder is nearly empty, and has a smooth uninterrupted flow.

We will guarantee this pen to be in perfect working order, as all pens are tested before leaving the house. Put up in a neat box with filler and directions.

Mailed to any address in Canada, post paid for
\$1.00

If, after trying this pen, you are not entirely satisfied with it, return it and we'll refund your money.
