 - QUARTER: 2 Continue to make representations at senior level of Federal and Republic govts. to move ahead with sale of CL-215 waterbombers. Assisted CANAC with market exploration esp. re World Bank railroad rehabilition project.
- QUARTER: 3 Assisted Lovat Tunnel in assessing tunnel boring segment of Sofia metro project.

QUARTER: 4 -----

QUARTERLY RESULTS REPORTED:

STATE OF CONFUSION IN YUGOSLAV GOV'T HAS HALTED PROGRESS ON CL-215 SALE, FINANCING MAJOR PROBLM. CHC HAD GOOD VISIT TO ZADAR AIR BASE AND AGREED TO FEASIBILITY STUDY IN THE FALL WITH OUR HELP. CPCS HAS SUBMITTED BID ON BULGARIAN PROJECT.

JAT's consultant on equipment purchase visited Airshow in Abbotsford to familiarize him with Canadian capabilities.

CANAC reports that good prospects for sales of railroad computerized information systems exist.

Lovat very optimistic about prospects; we will accompany them to Sofia for further negotations shortly. Decision expected next quarter.
