Budget Criticized For Not Adopting Greater Economies

Chamber of Commerce Sends Recommendation to Ottawa

MONTREAL, April 13 — (A. P.)—"Disappointment and concern," because the budget recently introduced in Parliament by Hon. E. N. Rhodes, Minister of Finance, "while adding to the already heavy burden of taxation not indicate that the necessary steps have been adopted to meet the necessary serious conditions pressed to the government for the national Chamber of Commerce."

Belief was expressed that the prevailing conditions should be met by the government taking the necessary steps now in reducing expenditures, however drastic they may be, and that action should not be deferred.

DRASTIC ECONOMY URGED ON OTTAWA

TO MAINTAIN EDIT

Trend Must be Toward Balanced Budget, It States.

Drastic economy in federal expenditures, even to dispensing with whole departments, it need be, was recommended in a resolution entered unanimously by the Board of Trade of Toronto last night, at one of the largest meetings ever held in many years.

The meeting was called especially to deal with the resolution, which had been drafted by the Council of the Board in consultation with the Chamber of Commerce. The resolution, after many consultations, was submitted, accordingly, with no intention but in a constructive way to carry on movement by the general public, the Chamber of Commerce, to

THE FEDERAL FINANCES.

The Canadian Chamber of Commerce has forwarded to the Minister of Finance a resolution expressing "disappointment and concern" over the failure necessary to institute economies "while heavy additions have been made to the present resolution and the necessary steps have been taken to meet the present heavy burden of taxation."

The resolution was adopted by the members of the Chamber of Commerce in a meeting held on Friday afternoon and was endorsed by the Minister of Finance. The resolution was despatched last night to the members of Parliament by the President Charles P. Mc-
