The following is an extract from a letter received from His Excellency the Governor General of Canada:

"It is in such Associations as yours are founded those principles of mutual help and support which bind communities together.

"They also teach the importance of laying by during the years of youth, health and energy, a provision for old age or poverty, and to those left behind in distress, and thus impart provident habits amongst a large section of your fellow-subjects. Your Association has, therefore, my earnest wishes for its welfare, and I trust its branches will continue to spread in all parts of the Dominion.

(Signed) LORNE.
