Some Plans for the Coming Season in Toronto's Premier Shoe Department

The great popularity enjoyed by our Shoe Department has encouraged us to make plans for the coming season that are world-wide. The arrangements with British and American firms mentioned below will make this department practically indispensable to men and women who are particular about their shoes.

"Hanan & Son" Shoes

We have secured the exclusive Toronto agency for the famous "Hanan & Son" Shoes. Business men who have been buying their shoes in New York from the well-known "Hanan & Son" stores will be glad to know that, starting next week, we will stock a complete range of sizes and widths in the popular styles.

"Queen Quality" Shoes

Next week we pass into stock the finest lot of "Queen Quality" Shoes ever brought into Toronto. The makers have surpassed their very best efforts for style, quality and custom finish. They fit where others fail.

English Shoes

Our shoe buyer has just returned from England, having purchased some of the highest custom-grade lines of leather shoes and a beautiful range of the finest felt and wool footwear. Our idea is to give you the English quality and workmanship on American lasts and styles at Simpson prices.

"Hervey Guptill" Slippers

We are toning up our Women's Slipper Department with a range of the "Hervey Guptill" High-Grade American Slippers. They are beautiful specimens of the shoemakers' art at reasonable prices. Their exclusive "lock-stitch" soles increase the wearing and shape-retaining qualities.

Men's "Victor" Shoes

A very careful selection of stock, special attention to little details of custom hand-work finishing, new and improved lasts, and a more complete range of sizes and widths, have increased the "Victor" values for the coming season, and we assure you of even better shoes than before at the same prices.

We Want Your Custom

and have planned to serve you well by giving quality, style, fit and wear at moderate prices. From the numerous compliments our customers have given, we know that our salespeople will give you courteous attention, and the completeness of our new stock will enable us to serve you more to your comfort and satisfaction.

When you think of Footwear, think of Simpson's.
