SEATS ON SALE EATON'S SPORTING GOODS DEPARTMENT.

There has been an enormous list of letters and inquiries being sent in to the Eaton A. A. in regard to whether the seat for the Big Store's meet is to be put on. It was decided to place the seat for Tuesday morning, May 23, in the sporting goods department in the store. Lawson Robertson, the trainer for the seat, who is in New York, says in a letter to Tom Douglas, the secretary of the Big Store, that the sprints at the Big Store meet should furnish the crowd with the best sport that has ever been a clunker on this continent. Robertson goes on to say that, with Meyers and Craig alone racing, it would be one great duel for supremacy, as these two are rivals for the sprinting championship of the United States, and that, with Cloughen anxious to get square for a beating by Meyers, who won by inches, the event should be a cinch. Robertson, at the time of writing, did not know that Bobby Kerr and Frank Lake-stein, the Montreaters, were to be starters, and everybody knows just how good these two Canucks are. It would be a great thing for either of the Maple Leaf wearers should they bring home the bacon in either the 100 or 220.
