

THIRTIETH ANNUAL REPORT
OF THE
ENTOMOLOGICAL SOCIETY OF ONTARIO

1899.

To the Honorable John Dryden, Minister of Agriculture :

SIR,—I have the honor to present herewith the thirtieth annual report of the Entomological Society of Ontario.

The thirty-sixth annual meeting of the Society was held in the City of London on the 11th and 12th of October, 1899, when the officers for the ensuing year were elected and the necessary business of the Society was transacted. The report contains a full account of an important conference upon the San Jose Scale, to which the first afternoon was devoted, the audited statement of the Treasurer, reports of the various branches, sections and officers of the Society, and of the papers and addresses presented during the meeting.

The Society's monthly magazine, the *Canadian Entomologist*, has been regularly issued and has just completed its thirty-first volume. It continues to maintain its high reputation as a valuable scientific publication and to attract the contributions of the most eminent Entomologists of the day, both here and in other countries.

I have the honor to be, Sir,

Your obedient servant,

CHARLES J. S. BETHUNE,

LONDON, Ontario.
