The men who thus are again eligible to compete as amateurs are J. J. Lee of Boston unattached; F. C. Bellars, New York Athletic Club, and Melvin W. Sheppard, Charles J. Baccn, George V. Bonham and H. Says Stock Transaction on Which Public Buildings Under Which Charge of Fraud is Based Was Legitimate.

PARIS, Jan. 7 .- A warrant charging the allegation of two American women that he had defrauded them of valuable stocks. It is pointed out, however, that if Hamon is a British subject, he cannot be brought back here from London, as Great Britain does not permit the extradition of her citizens. LONDON, Jan. 7—"Count" Louis Hamon, who left Paris yesterday, after being charged by Mrs. Julia P. Newell and Miss Josephine Pomeroy of New York, with defrauding them of stocks said to be worth \$500,000, was located in London to-day.

LONDON, Jan. 7.—"Count" Louis Hamon, who left Paris yesterday, after being charged by Mrs. Julia P. Newell and Miss Josephine Pomeroy of New York, with defrauding them of stocks said to be worth \$500,000, was located in London to-day.

He said that the transaction on which the charge of fraud is based was legitimate. Mrs. Newell and Miss Pomeroy appealed to him a year ago, according to his story, to extricate them from a stock market deal in New York which they were heavy losers in. He succeeded in saving a part of their fortune, and rendered them regular accounts. Last November he called upon the two women to redeem their stocks, giving them plenty of notice. As they did not comply the stocks was sold, leaving, according to the count, \$7000 due them. He says he is ready to pay the women whatever an expert appointed by a French court finds to be due them on the books left in Paris.
