their important duties-duties tribution to psychology and also as throwing some side-lights on social economics it is worthy of attention.

"The reason," says Mr. Gunn, "propably," (note the fine restraint), "is that they want to get home." Mere observation would never have arrived at that. After the accumulation of countless statistics, the use of induc-

OXFORD AND GOOD ROADS.

The county council of Oxford has decided to retain the good roads program which has been carried on for several years, and has wonderfully improved the highways of that enterprising section of the province.

or almost 2 to 1. It is interesting to note that opposition came largely from sections of the county where good roads have been constructed, the evident desire of this representation telling to avoid sharing in the expenditure necessary for the townships where the work was just about to commence.

Councillor Fleet, in speaking on behalf of the agreement with the Ontario Government, pointed out that this was a most unfair and selfish point of the contact of the contact of the contact of the contact of the same shuffle will occur this sumble to the sum of the will retire from the contact of the recent announcement by Hon. Clifford Siston that he will retire from politics to take up the work of the contact of the contac A resolution to discontinue the sys-

half of the agreement with the Ontario Government, pointed out that this
was a most unfair and selfish point of
view. Councillor Kneal, who last year
voted to discontinue the system of
good roads building, stated that in the
meantime he had been over some miles
of the good roads thruout the county,
and that his views had entirely changed. He was now strongly in favor of a
continuation of the good roads program.

The With his withdrawal from parliament
there will remain only one strong westerner in the Liberal advisory ranks.
There is there. Now, Hon.
Walter Scott is a Sifton man, and would
suit the Brandonite's desire to a nicety.
Besides, the Laurier cabinet needs some
ewt timber, and Mr. scott would furnish it. There is little doubt that
sooner or later he will go to the federal
cabinet, and Dam Rumor says he will
go immediately at the close of the present session. Mr. Scott is in Ottawa now
and he will probably know what will
take place when he returns from his

tures of a first-class exhibition. It contains freaks. It has living skeletons. It has the "What Is It?" several times multiplied. It abounds in the incredible. It smells tomby and feels great and only original show of its kind on earth. If it could be exhibited thruout the various provinces the peo-ple would be afforded some amuse-ment and much instruction. The most ess on the road is that it could not be shown more than once in the same place. It could not make any phenomeplace. It could not make any phenomenal run of one, two or three hundred nights. At the capital, where it is known and where there is no charge for admission, the people won't patronize it. This comes of the familiarity which breeds contempt. It is really worth half a dellar to see the senate once. If it were not it would senate once. If it were not it would

SCOTT TO COME EAST?

Saskatchewan Premier Spoken of Likely to Join Laurier.

MONTREAL, Feb. 18.—The Gazette's Regina correspondent wires:
The rumor of a proposed cabinet shuffle that will involve both the provincial and Dominion houses continues to be given credence in this city, and during the week developments have taken place which lead to the belief that the shuffle will occur this summer.

tal. Should Mr. Scott eventually go to Ot-

Scott.

The entry of Mr. Scott into the federal cabinet would or necessity mean other changes here. Ottawa reports state that George E. McCraney. M. P. for Rosthern, would come to Regina as attorney-general. Hon. Mr. Turgeon going on the bench, owing to the transfer of Judge Prendergast to the Manitoba bench.

who is permitted to see the senate will be guilty of the inhumanity of casting a vote to keep it out of its grave. "Wait for the next car," echoes City Engineer Rust, who, riding in an automobile at the city's expense, which never exceeds its seating capacity, and, not being tied to time like the majority of citizens, can afford to give advice of the bodies continues, but is greatly of the bodies continues, but is greatly of the bodies continues.

of citizens, can afford to give advice on such a subject.

But an ounce of fact is worth a pound of reason, and on Sunday afternoon the next car on the East Kingstreet line took a long, long, long time to put in an appearance. Standing at the corner of Church and King. The World, mindful of Mr. Rust's advice. let the first car pass, but the clock ticked off 14 minutes before the next one hove in sight. Even then it was as crowded as its predecessor, but pa-

cumstances, for never was a Toronto street car worse overcrowded than King car 1176, which left Church-street at 3 p.m. yesterday.

Women with little children, old men and young women, all were wedged together in such a welded mass that individuality was practically lost. Straps were useless, for so tightly packed were the passengers that it was impossible to raise a hand.

The conductor made heroic efforts to free himself from his position in the

free himself from his position in the centre of the car, but the crowd held him as tho in the grasp of a quick-sand, and he philosophically gave up the attempt until the Don was reached. Always Room for One More. The amazing part was that the mo-torman picked up every wayfarer who

Offiford County people may not be aware of the high regard in which that county is held in other parts of the province. The enterprise which has resulted in the erection of attractive public buildings in the City of Woodstock, the large factories that have been erected in the urban municipalities, and not least, the general construction of improved highways, have all stamped Oxford Ceunty as one of the most enlightened and progressive in the Dominion.

The Long Sault is going to be Hon. Clifford Sifton's long suit.

The Evening Telegram positively re
tal.

Should Mr. Scott eventually go to Ottorman picked up every wayfarer who cared to take a clance to climb on the will, it is hardly like that he will get the ministry of the interior. Frank Oliver has "made good" in the administration of the department and would hardly relinquish it to the new man. How with a shake of the brown tired of waiting for that "next car." Near Carliawa, as those on the inside believe to take a clance to climb on board. If one got off, two climbed on, for the majority had grown tired of waiting for that "next car." Near Carliawa, he department and would hardly relinquish it to the new man. On the public buildings in the City of Woodstock, the large factories that have stock, the large factories that have been erected in the urban municipalities, and not least, the general constitution of improved highways, have all stamped Oxford Ceunty as one of the most enlightened and progressive in the federal cabinet and should they do so, a change would probably make an opening for Mr. Scott.
