THE SYNOO OF NIAGARA FINISHES ITS SESSIONS

Sunday Schools Charged With Being Too Slow-T. H. & B. To Be Double-Tracked.

HAMILTON, June 8.—(Special.)—
The county court jury, before whom
the case of Frank Anderson, charged
with stealing a purse from Miss Edith Sauer, and with assaulting her, was tried, struggled for three hours this afternoon to reach an unanimous decision, and falling, was discharged by Judge Snider, Anderson was sent back to jall to await the fall sessions. The evidence was contradictory. Miss Sauer, positively identified Anderson Sauer positively identified Anderson as the man who stole her purse by his features, but would not swear to the clothes he was wearing. She said she thought he had on a blue coat sweater

thought he had on a blue coat sweater and blue trousers. The defence provated thru the prisoner's wife that he had never owned such a sweater.

The grand jury in its presentment suggests that the constables on duty at the county council this afternoon visited the Stony Creek battlefield at the request of the Women's Wentworth Historical Society and viewed the work being done on the monument to commemorate the victory there in 1813.
