Arnst Holds Baseball Providence 1 ... Bowling Parkdale ... Sculling Championship

Note and Comment

The late Edward Hanlan held the sculling championship from 1879, when he best Elliott in England, to 1884, when he peddled the title to Australia and left it there with William Beach. In return perhaps Dick Arnst may fetch the honor to Toronto Bay and leave the same with Eddie Durnan. Negotiations are in progress in regard to a match. Barry was easy for the champion yesterday.

Joe Kelley's Leach are home again to-day, after two wacks on the road. Had Rudolph won yesterday, as his pitching deserved, the record would have been eight wom and eight lost. However, the margin is to the enemy, nine to seven, including the first four to Jersey City, one our of three from Newark, all four from Baltimore, and an even division with Providence.

The Kaufman-Lang fight was too big a proposition for New Tork. The biggest and most variegated crowd of boxing patrons that has attended a boxing contest in that city in years jammed the clubhouse and sweltered contentedly, for they anticipated a great fight. They included politicians, doctors, lawyers, turfmen, actors, financiers and pugilists among the spectators. Wagren Barbour, the milliontators. Warren Barbour, the millionaire amateúir heavyweight champion, was on hand to look over the two men. Perhaps he expects at some future date to give the winner a tryout. Philadelphia Jack O'Brien, accompanied by Anthony Drexel Biddle, the Philadelphia society man and boxer, was at the ringside. Half an hour before the first preliminary was put on the clubhouse was packed to its capacity, and the doors were looked. Outside a thousand belated members stormed the doors in vain. Warren Barbour, the million

Club boxing had been declared legal in New York, but when it was discov-ered that speculators were selling "members" \$5 tickets for \$10 the acting mayor decided that there should be no fight.

MONTREAL, Aug. 18.—Fred Routhier, who fifteen years ago was considered the cleverest middleweight in the country, was knocked out last night at Maisonneuve by Louise Beansey, in the eighth round of waht was to have been a fifteen round go. There was little doubt about the result after the opening round, and it was only a question of how long Routhier could last.

PROVIDENCE, R. I., Aug. 18 .- For the third time in the present series with Toronto the game to-day ended the Grays in the long end. The contest was a pitchers' battle from wire to wire, with Lavender and Rudolph dowire, with Lavender and Rudoiph doing great stunts in the box. The local man was hit harder than the visitor, but Rudoiph was a trifle unsteady and a slight wobble in the opening session before he got down to work proved fatal. Of the three hits credited to the Grays one came in the first inning one in the second and the three

Of the thirty-three remaining games, not counting double-headers, the Torontos have only nine abroad—three real. The Hustlers have about the same schedule, with Newark doing work principally on the road. So it follows the providence of the Stadium.

Bashti, by Adam—Disadvantage, pronounced by the turf experts the best two-year-old filly and a possible winner of the Futurity, has earned \$10, 230 for the Newcastle Stable. She has started six times, winning five races—an overnight event, the Criterion Stakes, the Astoria Stakes, the Vernal Stakes and the Spinaway Stakes. In the Vernal Bashti at even weights made a show of Round the World, who had previously trimmcal from Mask and Naushon in the Great Trial. Bashti sole defeat occurred in her first start, when Golden Agnes beat her, but in that affair Bashti was interfered with and did not run up to her best form. She has improved wonderfully at Saratoga, and the sharps say the post odds for the Futurity may show an overwhelming preference for her chances.

Alf. Shrubb's Races.

The English games at Scarboro Beach next Saturday night will be more than interesting, as some of the best professional runners in Toronto will compete. Alfred Shrubb, who is promoting the events, has received the entries of Fred Meadows, who will start, if possible; Percy Sellen, the little English runner: Jack Roe, Bill Cummings, and Red Hawk will compete in the four-mile race. Red Hawk will also start in the sprints with Cummings. It is expected that several ladies will start in the walking race, and there are five entries in the 100 yards ladies' and potato races; five men in the one-mile walk, and several entries in the men's 100, 220, 440 and 830 yards races.

What's the Matter With Father?
DAVENPORT, Ia. Aug. 18.—Pitcher of Father of the Dubuque team of the Three I Baseball League to-day did not allow a hit, and did not let a Davenport player reach first-base in the nine innings played. This feat has been accomplished but few times, not ably, by Cy Young, pitching in 1904, against Philadelphia, and by Joss, pitching for Cleveland against Chicago in 1908.

The trick was first turned by Calvin of St. Louis in defeating Detroit in 1876. It was duplicated by Lee Richmond of Worcester against Cleveland in 1880, and by Ward of Providence against Buffalo in the same season.

Detroit are starting to make their run for the pennant.

BASEBALL NOTES.

Tough luck, the Leafs didn't get away with the final game at Providence yesterday, but then, when did the Kellevites have any luck in those 1-to-0 victories? That one on Wednesday was the first in a long time.

The Leafs are home to-day, playing all the eastern clubs before they invade the western teams. The Kelleyites have been playing grand ball on the road, and with their pitching staff in the best shape it has been this season the team should make a grand race for the pennant. Go out to-day and give them a welcome.

Rochester doubled the hits on Balti-

more in the second game yesterday, but lost. That's nothing, look at the way Dicky Rudolph worked yesterday, only to suffer defeat. Pitcher Kroh, who jumped the Chicago Cubs, is said to be pitching ball under a fictitious name around Wilkes-

Zeke Wrigley, who was released by the St. Paul team, says he was forced off the team by certain players because he refused to share in their wild life. McCormick is particularly blamed, and is named as the leader. Wrigley declares that room was made for Baker, a pal of McCormick. Manager Billy Smith of the Buffalo team may lose Pitcher Jack Cronin, Bridgeport putting in a claim that Cronin received advance money from them

Second-baseman Jim Delehanty of the Detroit team was left at Washington, as he is suffering from a mild attack of ptomaine poisoning.

DR. BURNS OF PARKDALE

Victory a Very Popular One, as Was the Win of Allison in Ontario Cup Over Knox.

It was certainly a very popular win that Dr. Burns of Parkdale scored over Dr. Paul of Canadas yesterday in the final of the Walker Trophy, the clever Parkdale doctor winning the big event by the score of 18 to 10, and the said foctor and fellow members of his rink were in receipt of many congratulations after the match.

Canadas, by virtue of winning the cup the most times in ten years, be-

canadas, by virtue of winning the cup the most times in ten years, become permanent owners, but during the next twelve months the Parkdale Club will have the honor of showing the cup, thanks to the great work done by Dr. Burns and his rink.

Dr. Burns started the game by scoring two on the first end, but on the next three Dr. Paul counted, making the score 6 to 2. Dr. Burns counted at three on the fifth, making him only one down, while on the sixth end be took the lead and was never headed, the death knell of the Canadas being sounded on the fourteenth, when with them lying two, Dr. Burns carried the kitty back to one of his own bowls and counted. If Canadas had counted this, they would have been only three down on the last end, instead of six. Parkdale made sure their opponents, would not make a garrison finish, especially Tuthill, the lead who on his first bowl came to the face of the jack. and there he stayed, with two other friends to keep him company.

All credit is due the winners for their steady playing all thru the tournament, and in all the games they have played they have only had eight overdraws and taken one run, showing that they resorted to the draw game all the time.

Another popular win was that of

that of yesterday morning, when they defeated Dr. Moore of the Canadas by 21 to 6 with two ends to play.

It was a win for the bowlers at Victoria green as well as Dr. Burns and Andy Allison, as both the winners hall ed from the players who competed at Victoria altho the difference in the greens was small after yesterday's slight rain, while the games were played on the edges of two finks.

The final in the Toronto Cup will be played this afternoon at 3.30 on the Victoria Rink, the finalists to be determined this morning. Duthie and Collins are in the semi-finals at Victoria, Duthie yesterday putting away Dr. Moore after his third attempt in two days.

The doubles and singles will be near the finals by the end of to-day's play.
