WOODCOCK CHARGES GO BEFORE JUDGE MORSON

Council Practically United in Demand for Thoro Investigation—County Items.

By unanimous consent, the resolution of County Councillor Evans, introduced on Monday afternoon, following the starting charges contained in Judge Winchester's report, was, except in one respect, unanimously adopted. The exception was with respect to the name of the presiding judge. Mr. Evans contended strongly for the appointment of Judge Winchester, while a majority of the members favored that of another. Later Mr. Evans expressed a willingness to accept anyone regarded as competent, stating that his only desire was for a full and thoro probe, and the name of Judge Morson was accepted in lieu thereof. Mr. Mallon will be associated with Judge Morson in the investigation. There was among the members of the council generally a desire for an exhaustive and searching examination, only one member, Reeve Slater of Markham, voicing a different opinion. "I have been associated with Mr. Woodcock on the audit board," said Mr. Slater, "and see no necessity for any action such as suggested. Other commissions appointed have not amounted to much, and this will cost hundreds of dollars, and I don't think will reveal anything wrong."

Wants Neighboring Judge. Councillor Jerry Nelson favored a judge from an adjoining county, such as Peel or Halton.

Councillor Norton of Woodbridge suggested a reference of the whole matter to the attorney-general's department, and moved in that direction, but Mr. Evans strenuously objected. "That simply shuts off the investigation except as far as Mr. Woodcock is concerned," said Mr. Evans. "We have four police magistrates in the county and any number of constables, and the whole matter should be investigated."

Reeve Keith of Newmarket said that Judge Winchester had made the charges and was plainly biased against the magistrate. Reeve George Henry of York Township favored the appointment of Judge Morson, and a sharp passage at arms occurred between Mr. Henry and Mr. Pugsley with respect to the auditing of accounts and the attitude of the older members of the council toward the incoming council.

At the morning session a communication was read from Judge Winchester, in which the latter asked that a clause in his report as to the audit, respecting the disposal of a fine of \$10 imposed on a lad by Magistrate Woodcock, be struck out.

Judge Withdraws a Clause. It stated: "The information on which I based the statement (re Coltham and McMain cases) was contained in a letter to me from Mr. McMain of the 18th inst., in which he states the trial of Coltham and McMain was held at the time of the trial, and I have a receipt for the same, signed by Mr. Woodcock's son, as he told me to pay it to his son, who was going to the city at the time. The receipt is dated March 10, 1905." "As Mr. Woodcock denies this," the judge wrote, "I would ask to have the clause referring to the matter struck out of my report."

Clerk of Peace, Too. Not alone in the magistrature, but in other courts as well, is the suggestion made to exercise greater care in the preparation and fixing of charges. The report of the board of audit, submitted yesterday, shows that the clerk of the peace is amenable to criticism, and his accounts to disallowance. A section of the report has this to say regarding this department: "The clerk of the peace, in his accounts, charged the sum of \$386.10 in connection with the naturalization of aliens. This sum is made up of \$39.10 for filings, and \$347 for orders. Payment of these two sums has been deferred. Your board holding that the clerk was not entitled to charge the same against the county. The services were no doubt performed, but we are of the opinion that the county is not liable for such services."

Cuts Down Amount. "Your board has suggested to the clerk of the peace that he apply to the high court of justice to obtain an interpretation of the statute respecting his fees. The amount from year to year will be very considerable, and, in the opinion of your board, the matter is one that should in all fairness be referred to the high court for their decision."

Referring again to the county justices' accounts, especially those of Mr. Woodcock, the board said: "A number of accounts were presented by Police Magistrate Woodcock, and two or three by other justices of the peace, which the chairman of the board of audit held they are not entitled to. The chairman has carried out a copy of the law, deducted \$112.66 from Police Magistrate Woodcock's account, delivered at \$127.70. The report of the board goes at some length into the question of disallowing different claims respecting constables' fees, and urges greater care by magistrates in the initialing of the former's accounts. Mr. Landry of Aurora appeared on behalf of the residents of North York, asking the council's consent to the deviation of Yonge street, with respect to the Holland River improvement. Commissioners were empowered to deal with the matter Full Reports. The report of C. W. Miller, school inspector of North York, submitted yesterday, was one of the most comprehensive and clear-cut declarations regarding the condition of the public

schools ever given to council. The report stated that a little over one-third of the school population attended the whole year, but a maximum of 6000, only 2481 attended; of the 4788 enrolled, only 52 attended regularly. He made a strong plea for fifth-book work in the public schools, claiming that fully 90 per cent. of the pupils finished their schooling there, and struck a responsive chord in the members by his practical statements generally. The report of Mr. Fotheringham was also submitted, and was, as usual, with this veteran educationalist, a thoro production. He regretted among other things the tendency to change among the profession generally. Messrs. Rowan of Whitchurch and Anthony Forster of Markham were appointed auditors at a salary of \$40 each.

EAST TORONTO. Citizens in Large Numbers Support Worthy Cause.

EAST TORONTO, Nov. 28.—The game supper and concert held under the auspices of the Ladies' Auxiliary of the East Toronto branch of the Y. M. C. A., held in the hall to-night, was in all respects a gratifying success. The attendance was exceptionally large, in a measure adding to the interest of the auxiliary and demonstrating the necessity of a large building for occasions of this kind. The tables were laden with the most appetizing viands and the ladies fully maintained their reputation in the culinary department. The officers of the auxiliary are: President, Mrs. Lloyd; 1st vice-president, Mrs. R. Taylor; 2nd vice-president, Mrs. D. Liddell; treasurer, Mrs. McFadden; and secretary, Mrs. George Mitchell. Together with these ladies many others rendered valuable assistance.

Following the supper an excellent program was given, at which Mayor John McP. Ross happily presided. The work of the ladies of the auxiliary is wholly of the most philanthropic nature and too much commendation cannot be given them in the matter. The proceeds will amount to more than \$100.

TORONTO JUNCTION. Council Have Offer of Fire Engine—Crossings Are Bad.

TORONTO JUNCTION, Nov. 28.—The fire chief's report at the meeting of the property committee on Tuesday evening contained a recommendation for a fire engine service, as the water pressure was so low that sufficient streams might be obtainable to cope with a fire of such proportions. As a direct result of this statement, the mayor has received a communication from a manufacturer offering a fire engine for sale at a price somewhere between \$5000 and \$6000, and will extend the complete payment for same over a period of ten years. The Young Bachelors of the Junction gave a very successful at home to-night in St. James' Hall. About 100 couples were present. The hall was tastefully decorated. The patronesses were: Mrs. McEachern, Mrs. C. T. Heintzman, Mrs. George C. Heintzman, Mrs. H. Heintzman, Mrs. McCormick and Mrs. P. Ellis.

Had No Quorum. The executive committee should have met to-night, but only the mayor and Councillors Howell, White and Whetter made an appearance, so the meeting was held over.

The regular meeting of the town council will be held next Monday evening. The Galt Town Council have intimated that they would be willing to contribute a considerable sum towards improving the road to Toronto Junction if the local council would agree to bear a part of the expense of such improvements. In any case there is distinct feeling among the local officials that next summer Dundas-street should be macadamized as far as Elizabeth-street, the western limit of the town.

The most needed street improvements at present are at the crossings, some of which are almost impassable. It is the intention of the council to commence a strenuous campaign of crossing improvements before the winter sets in. William Maher and W. J. Fullerton have returned from a shooting expedition to Markdale. The alumni of the Toronto Junction Collegiate Institute will give an at home on Friday evening, Dec. 6.
